Dent:
To Miss C. M. Hill:
Dear Teacher,—We, the pupils of the entrance and P. S. L. class of S. S. No. 4, Tilbury East, after the happy associations which we have had with you, we with sorrow come to the parting time, the good-bye day, and before we say that sweet sad word will you permit us to tell you something of our love and respect for you.

spect for you.

In times past the threads of our lives have been constantly woven together, and when we think that in the future they will touch only at long intervals, or possibly not at all, our hearts are filled with sadness, and we feel that we are losing not only our teacher, but a very dear friend.

I now weigh one hundred and seventy-five pounds. When I had used one bottle of the medicine I could feel it was helping me. I realize Dr. Pierce's Golden Medical Discovery is the best medicine on earth."

Dr. Pierce's Golden Medical Discovery purifies the blood and eneradicates the poisons that breed and feed disease. It cures scrofula, eczema, erysipelas, boils, pimples and other eruptions that mar and scar the skin. Pure blood is essential to good health. The weak, run-down, debilitated con-dition which so many people experience is commonly the effect of impure blood. Dr. Pierce's Golden Medical Discovery not only cleanses the blood of impurities, but it increases the activity of the bloodmaking glands, and it enriches the body with an abundant supply of

#### BLOCKADE IN DETROIT RIVER Ice Crushers Trying to Open the Channel.

Detroit, Jan. 2 .- A meeting of railway officials yesterday decided to send three of the big ice crushers down the river in an endeavor to open a channel to permit the ice to drift out. The Lansdowne and Ontario were bucking the floes near Fighting Island, while the transfer went down this side of the river in the vicinity of Wyandotte. The day crew of the Lansdowne walked ashore on the ice last evening, and the night shift were sent down on the Canadian shore to Shore Acres, where they went over the ice to her. Just how the three steamers expect to open a channel marine men are unable to understand, as the ice is almost a solid mass to a point 40 miles or a low Bar Point, in Lake Erie

### A CLEVER SWINDLER.

Represented Himself as a British Official and Lived by Fraud.

New York, Jan. 1 .- The Herald today says: "By means of a carefully prearranged scheme, a man calling himself S. W. Spencer, and representing himself to be the British Vice-Consul at Washington, an office that does not Washington, an office that does not exist, has been travelling through Europe since last October, swindling barlking houses with spurious drafts and forged checks, drawn on prominent bankers and business men in New York. In most of the cases of which evidence exists the name of C, P. Richard & Co., bankers and shipping agents of this city, was used by Spencer, and this firm discovered the fraud in time to avoid loss. It is said, howcer, and this firm discovered the fraud in time to avoid loss. It is said, however, that the swindler has been issuing checks and drafts on the Park Bank of New York, and forged bills of lading on the North German Lloyd and other steamship companies.

## Soo Creditors' Claims.

The long-anticipated development in the "Soo" case has taken place. The creditors of the different "Soo" companies on Thursday night, through Bar wick, Aylesworth, Wright & Moss, their solicitors, served notice on C. P. Worthington, general auditor and officer in charge of the "Soo" properties, that a liquidator of the different subsidiary companies to the Lake Superior Consolidated was being applied for, and that the control of the "Soo" properties by Speyer & Co. was being

contested.

The petitions to the courts for a liquidator for the subsidiary companies contain some startling statements. In them it is set forth that different fincontested. them it is set forth that different financial corporations, including the Canadian Bank of Comemrce, and the Fidelity and Commercial Trusts Companies of Philadelphia, finding themselves with claims against the "500" companies, and entirely unsecured, advanced a sufficient amount to pay off their own claims and obtained on this advance security which they lacked before. It is alleged that by thus advancing money to pay their own unsecured claims the different banks and trust companies pulled themselves out of a hole, at the expense of the other unsecured crediexpense of the other unsecured credi-
