## 世R卫ORS!!!

There are errors of various kinds. Philatelic errors, sur-charged errors, errors in pricing and prinfer's errors, One of the latter sort in our ad last month, has deluged us with correspondence. 100 assorted Cuba and Porto Rico, a magnificent mixture comprising many used varieties, is a great bargain at our price, 25 cents per 100 , but when the printer made us offer them at two cents, we think almost every dealer and collector in the country wrote us for a supply. We had orders for over two million at that price. We thank each and every one for their kind patronage, and recommend them to try our assortment at 25 cents, and we think they will be well pleased. We offer this month the following bargains. Postage
