Buildings on the Toronto Exhibition Grounds are roofed with our

STEEL SHINGLES

Letters from Mark Hall, the architect, and President J. J. Withrow, tell us that "they have given the utmost satisfaction, and are the tightest roofs on the grounds," and also "that they are ornamental in design and effective as a fire guard."

Our shingles are reliable, they never disappoint.

Call in and see our many reliable lines of fire-proof building materials—we are right at the corner of King and Dufferin streets, adjacent to the Fair Grounds, and will make you cordially welcome. The visit will interest you.
