WE TAKE pleasure in announcing that Mr. S. A. Bedford, who for the past 18 years has been Superintendent of the Government Experimental Farm at Brandon, has resigned his position to become a member of the firm, "**Brandon Seed House, A. E. McKenzie & Co.,**" which will hereafter be an Incorporated Seed & Nursery Co. In addition to Mr. Bedford's personal preference for this change, he does so realizing that by becoming a member of the firm "**Brandon Seed House, A. E. McKenzie & Co.,**" that he can thereby be of greater service to the Canadian West. Mr. Bedford is now the manager of this Seed and Nursery House which bears the distinction of being "**Western Canada's Seed House**"

The Incorporation also includes Mr. H. L. Patmore and his Nurseries which are undoubtedly the largest and most reliable in Western Canada. Mr. Patmore although a young man is an old Veteran in Horticulture and a recognized authority throughout Western Canada; like Mr. Bedford, he is an old resident and knows the needs of Western Canada.

Mr. A. E. McKenzie, who is the founder of Brandon Seed House, is President and will bear as close a relation to it as in the past. By a blending of these forces, Brandon Seed House can render Western Canada a Magnificent Service as Seedsmen and Nurserymen.

Mr. W. A. McCracken, who has been a member of the staff of A. E. McKenzie & Co. for the past 6 years as foreman and chief shipper is also a member of the Enlarged Company. He is a thorough, practical seedsman and knows the needs of the country.

Specialists We submit to you that in this day of specialising, that men who have lived in the West between 20 and 30 years who during all that time have studied the peculiar needs of the country, as to Seeds, Nursery Stock and Plants, coupled with **Extensive Equipments, Increased Facilities, Central Location, Selected Stocks, and up-to-date methods** of doing things, can give the Seed Buyers and Planters of Alberta, Saskatchewan and Manitoba the kind of service in Seeds and Nursery Stock, that is so much needed.

A Splendid Selection for a North-west Garden.
