## The Oldest and Largest Makers of Talcum Powder in the World is the House of Mennen's

THE universal prestige it now enjoys, is the reward for over thirty years' conscientious manufacture of the best talcum powders and the outgrowth of the unceasing experimenting and research work, which has been carried on in the great Mennen Laboratories since the very beginning.

Mennen's Borated Talcum is recognized the world over, by thousands of physi-

cians, nurses and mothers, as the standard baby powder. The other various tints and perfumes hold an equivalent position with those for whom they are especially prepared.

Dealers always feel assured, when they sell any of the Mennen Products, that they are backed by the oldest and largest manufacturers of talcum powder in the world.
