EDITORIAL NOTES.
 Matters in the Transvaal are in a critical state. The Uitlanders have formulated their grievances and unless a measure of relief is granted soon, there will be serious trouble in South Africa. President Kruger has obstinately refused to redress the grievances and resents every suggestion of the British commissioner as to making any friendly concessions to the British colonists. Oon Paul seems to think Britain will not resort to extreme measures to secure the rights of citizenship to British settlers in the Transvaal, but it is evident that a crisis is near at hand, and there is no doubt that Kruger will have either to give way or fight.

Sir Charles Tupper still feels sore at Lord Aberdeen because he refused to confirm many of the appointments made by Sir Charles after his defeat at the polls in June 1896. Sir Charles called for the correspondence between Lord Aberdeen and the Colonial Office in reference to the aforesaid appointments. Sir Wilfrid Laurier refused to produce the correspondence and referred to a telegram from Mr. Joseph Chamberlain which effectually barred Sir Wilfrid from bringing down the papers. The telegram read as follows: "Cannot agree to the publication of any part of my secret despatch of August 1896, but if necessary your Government may state purpose of third paragraph. Sir Charles Tupper contended that both the Imperial and Canadian Governments had made many appointments after having been defeated in the country at the polls and before their successors assumed the reins of Government, and he was correct, but we believe that both parties should be checked when making such appointments, especially the appointment of defeated candidates for the Commons to the responsible office of Senator.

GOOD HEALTH FOR WOMEN

Dr. A. W. Chase's Nerve Food Restores Weak, Sickly Women to Robust Health.

Any irregularities in the monthly uterine action is sufficient cause for women to be alarmed about their health. Whether painful, suppressed or profuse menstruation, the cause can be traced to some derangement of the nerves.

A few boxes of Dr. A. W. Chase's Nerve Food will completely build up the exhausted nerves and restore the regular monthly action which removes from the body the clogged matter that would otherwise cause pain and serious disease.

It is as a restorative for pale, weak women that Dr. A. W. Chase's Nerve Food has been singularly successful. It counteracts the debilitating diseases peculiar to women by feeding the nerves and creating new nerve fluid, the vital force of the human body.

Dr. A. W. Chase's Nerve Food has restored scores of hundreds of weak, sickly women to robust health. See a box at all dealers, or Edmanson, Bates & Co., Toronto.

Dr. Chase's new illustrated book "The Ills of Life and How to Cure Them," sent free to your address.

IT'S TOO RISKY

To undergo an operation for itching Piles when Dr. A. W. Chase's Ointment is a surer, cheaper, easier way to cure.

Cruel, barbarous methods belong to the dark ages of the past. There was a time when a surgical operation was considered the only possible cure for piles. Not so now. Occasionally there is still found a physician who adheres to this dangerous and expensive method, but to every one who still believes in using the knife, ninety and nine recommend the use of Dr. Chase's Ointment.

Dr. C. M. Harlan, writing in The American Journal of Health, said: "We know that 'Dr. Chase's Ointment' meets all the requisitions of the highest standard of worth, that it will be held in high esteem wherever it is used, and consequently we endorse it to every reader."

By force of merit alone Dr. Chase's Ointment has won its way into this wide, wide world, until it has made the name of Dr. Chase familiar in almost every home, and won for the venerable discoverer the title of "America's Greatest Physician."

Dr. Chase's Ointment has never been known to fail as a cure for piles. It matters not whether blind, itching, bleeding or protruding, Dr. Chase's Ointment is an absolute and perfect cure.

Dr. A. W. Chase's Ointment is the discovery of the author of Dr. Chase's Recipe Book, whose portrait and signature is on every box of the genuine. All dealers, or Edmanson, Bates & Co., Toronto.

Buffalo All-Steel Disc Harrow

This is the only Disc Harrow made or sold in Canada, having independent, adjustable spring pressure upon the inner ends of the gang discs, allowing any amount of pressure to be thrown upon the inner ends of the gangs, by the foot of the operator. By this means a perfectly flexible action is secured and the ground can be worked to a uniform depth. Examine this Machine carefully and compare with others.

The No. 12 Cultivator

IS A MARVEL OF SUCCESS. The only Cultivator made that both lines of teeth will cut an even depth in the ground. Examine it and you will see why. The only Cultivator with a movable tooth set so that the angle of the teeth can be regulated to suit any condition of soil. Pressure can be regulated to act differently on every section requiring it. The teeth are carried between the wheels instead of trailing behind, as in other machines, thus securing lighter draft. This machine is furnished with grain and grass seed box when required. It has reversible diamond steel points for the teeth; also, extra wide thistle-cutting points can be furnished. Examine it and you will buy no other.

The Best Drill Made.

The Hoosier Needs No Introduction. Over 40,000 Drills and Seeders of our manufacture in use in Canada. The only Drill made with lever for instant and perfect regulation of depth of hoe in all kinds of soil, while team is in motion. Sows absolutely correct to scale; saves seed, as every kernel is deposited at a proper depth to grow. Purchase only the best and you will be satisfied.

We also manufacture Binders, Reapers, Mowers, Rakes, Cultivators and Pulpers as good as the best. Send for illustrative catalogue.
