THE CENTAUR COMPANY, NEW YORK CITY.

The following extract from a letter sent out by militia headquarters, Ottawa, has been promulgated in the orders of the 21st battalion.

The sum of \$10 is to be withheld for a period of six months from the pay of every man enlisted on or after the 1st of March, 1915, for overseas service. The amount is to provide for the cost of civilian clothing to men discharged within six months of their enlistment and also to partly compensate the Government for military issues made to men who desert. After six months' service or on termination of engagement the amount may be repaid and civilian clothes supplied free on discharge. In very special cases, for instance where a man is seriously injured in the performance of his military duty and thereby discharged, the \$10 may be remitted and civilian clothes issued him on the authority of the O. C. Division.

The Third Contingent recruits of Prince Edward County at Picton are taking route marches daily since the recent frosts have improved the walking. There are 88 enlisted. The last man to join is C. B. Baker.

In order to facilitate the handling of mail at the front, and to insure prompt delivery it is required that all mail be addressed as follows:— (a) Rank. (b) Name. (c) Regimental number. (d) Company. Squadron, battery or other unit. (e) Battalion. (f) Brigade. (g) First or second Canadian contingent. (h) British Expeditionary Force, Army post office, London, England.

Armourer Sergeants Charles Carter and Andrew McBride of the 39th Batt., C.E.F. have returned from Kingston to this city after passing a course in the mechanical department of the service. Tomorrow they leave for Quebec City to continue their work.

Seven or eight men have been accepted for the 28th Battery at the artillery armories, Church street. Dr. Tennant is the medical examiner.

Col. Ketcheson is still recruiting for the 49th Regiment. The new recruits are not being turned over to the 39th Battalion, but will likely be held for a new battalion to form from the Quinte Hotel staff have been accepted with the 49th detachment.

The volunteers this afternoon went on a route march up the Front Road.

In future walking sticks or crutches will not be carried by officers of the 21st battalion on commanding officers' parades.

In future all officers and non-coms of the 21st battalion will be compelled to attend the commanding officers' parades, except our men going double company as cooks and assistants, two men for Depot company and the fire picket at the general works.

The commanding officer of the 39th Batt., C.E.F. has been pleased to make the following provisional promotion: To be acting company quartermaster sergeant, No 117 Private F. J. Greene "A" Company. He is permitted to draw subsistence from 8th March.

Sergeant J. F. Lunny of the 39th battalion, bugle instructor is looking for young men to act as buglers for the battalion. He desires at least eight or ten men for this purpose. Men with a knowledge of music are preferred. No one under the age of 18 years need apply.

It is not thought likely in militia quarters that the mobilization of the third contingent will be at Petawawa. At present there are a large number of Austrians interned in the concentration camp there and they occupy all the available buildings. If the third contingent battalions were to be mobilized there new buildings would have to be erected, and as there are already splendid buildings in Kingston, Belleville and Ottawa for the purpose it is thought highly improbable that Petawawa would be used.

Four recruits arrived in Kingston from Deseronto for the 26th Battery, of the 7th Brigade of Artillery that will be sent overseas with the third contingent. Twenty-three men also arrived on Friday afternoon from Peterborough. The men will be quartered in the old Regiopolis College building.

A little surprise, which will cost each officer in camp the sum of \$64.60, was found in orders at Kingston, when it was stated that instructions had been received from Militia Headquarters to the effect that the head of the binoculars, web equipment and automatic pistols issued to the officers of the 21st Battalion will be recovered under arrangements which will be made with the paymasters. When the order came for the issue of the equipment it was stated that the binoculars and pistols were to be supplied free of charge, and the officers congratulated themselves accordingly, as both were expensive articles. The glasses, which are of high power, will cost \$40 and the pistols \$20 each.

Capt. H. R. Wilson, D.A.A. and Q. M.G. are on an inspection trip to Ottawa.

Cheapest of All Oils.—Considering the curative qualities of Dr. Thomas' Electric Oil it is the cheapest of all preparations offered to the public. It is to be found in every drug store in Canada from coast to coast and all country merchants keep it for sale. So, being easily procurable and extremely moderate in price, no one should be without a bottle of it.

Military Notes

Serjt. Bongard of the 21st Batt. left Kingston Thursday for Quebec to take the armorer's course. He was accompanied by five others. Messrs. C. Carter and A. McBride left yesterday for the same city.

Orders to mobilize the 26th Battery have been received at Tete du Pont barracks. Major Hall may leave the work in charge of Capt. Cartwright for some days while he looks over the recruiting for the battery at Belleville, Deseronto and Peterborough.

The officers of the 26th Battery, Kingston are O.C. Major G. R. Hall, Peterborough; Capt. K. B. Garruthers; Lieut. C. G. Allen and E. C. Ellwood; Ammunition Column, Officer Commanding, Capt. Wm. Hart, jr., Kingston; Lieut. A. E. Honeywell, A. W. Meikle, J. L. Godwin.

Lieut. C. Ross Cameron, of the 57th Peterborough Rangers, a volunteer of the 39th Battalion was presented by the members of D Company with a Wolsley sleeping kit bag. The speakers highly praised the 57th detachment of the 39th Battalion. They were a splendid well-balanced body of men and it was a pleasure to watch them drill and see how earnest and sincere they were in their work.

The 57th Peterborough has 120 men for the 39th Battalion, Belleville. The following statistics in regard to the composition of the Peterborough detachment of the 39th Battalion are interesting. Of the 120 men on the roll up to last night 73, or 61 per cent. are English born; 36, or 30 per cent. Canadian born; 5, or 4 per cent. are Irish, 3 or 2 per cent. are Scotch, and the other nationalities are one Welshman and a Mexican and on Russian. 38 of the men or 32 per cent. are married. In religion 108 are Protestant; 10 Roman Catholic and 2 Jewish. Six of the company are over 40 years of age, twenty-nine between 30 and 40, fifty-nine between 20 and 30, and 26 under 20 years of age.

One of the most interesting figures among the men of the 57th detachment of the 39th Battalion is Pte. Thomas Turner who came all the way from a big and strong physically and in spirit. When war broke out he was in British Columbia. He was unable to get his affairs straightened out in time to go with the first contingent, but when enlistment began for the second he wanted to go in the Army Service Corps and paid his fare through to Toronto. There he found he would have to undergo a minor operation before he would be acceptable physically. This he cheerfully submitted to, but when he came out of the hospital the Army Service Corps number was complete and there was no room for him. Nothing daunted, after paying his fare east and his hospital and doctor's bills

he came down to Peterborough and enlisted for the third contingent. Now he is happy that he is at last started on his journey to the front. Pte. Turner served five years in the United States navy, enlisting at the time of the Spanish-American war, and has also served a year in the British Columbia Horse. He was born in Goderich 47 years ago.

There is a message for every Canadian of military age in the spirit shown by Pte. Turner. His is not an isolated case. A number of recruits for the 15th and 49th detachments of the second and third contingents underwent operations in Belleville hospital to remove conditions which would prevent them from going to the front. The main obstacle was varicose veins. The surgeons gave the men a chance so anxious were they to enlist.

Peterborough men expect hourly to be moved to Belleville for mobilization. They were given a farewell on Thursday evening.

Captain J. B. Carron, A.M.C., is medical officer of the 39th Batt. He was through the whole of the Boer war and possesses two medals for that campaign.

Recent tidings from Corporal Fred Conley of the 3rd Devonshire Regiment, (Royalist) who left Tweed at the beginning of the war, report him enjoying good health and in the best of spirits. He is stationed at the training quarters, Crediton, Devonshire, where he was successful in his examinations in passing highest in his class and received honors in the special course. It is just possible that he may be retained at these quarters as training officer. "Fred's" Tweed friends will be pleased to learn of his success. A recent issue of the Bath (Eng.) Chronicle contained a halftone of himself and brother who is also in the service and was the only one saved from the SS. Amphion when she foundered in the North Sea.—Tweed Advocate.

Captain Ross, A.S.C. of Kingston, was in the city this week.

Capt. A. E. Bywater has been appointed major in the 49th Regiment, vice-Major C. M. Wallbridge, retired.

The headquarters staff of the 6th Field Artillery is— Lieut-Col. E. W. Rathbun, 9th Brigade, C.F.A., O.C. Capt. A. de la C. Irwin, 2nd Brigade, F.B.C.A., adjutant. Capt. G. C. Biley, 6th Brigade, C.F.A., orderly officer. The 22nd Battery officers are— Lieut. W. R. Rieder, 34th F.B.C.A., O.C. Capt. C. P. Fee, 24th Brigade, F.B.C.A. Lieut. N. H. Macgillivray, R.M.C. Lieut. G. T. Cassels, R.M.C. J. A. F. Chapman, 8th F.B.C.A. supernumerary.

The 26th Battery now recruited in different centers will be in Kingston about the first of the week for mobilization. Transportation has been furnished, and when the men arrive they will be placed in Regiopolis College. Double-deck iron cots will be used for sleeping purposes, and arrangements will be made for the battery to mess in the building.

The township of Augusta in Glenora township has voted \$50 to the fund to buy field kitchens for the 21st Battalion. Capt. S. M. Gray has done a great deal in raising money for this purpose, over \$70 coming through his energies. Picton reported a large amount on Thursday

It is therefore with regret that we gather this evening to bid you farewell, feeling your departure from us will create a vacancy hard to fill. Mr. Mallory has now been invited to go to Manitoba to address a similar series of meetings in that province.

TEETHING TIME TROUBLES

Baby's teething time is a period of anxiety for mothers unless baby's stomach is kept sweet and his bowels regular. No other medicine has been found so valuable during teething time as Baby's Own Tablets. They make teething painless and by their use baby gets his teeth so easily that the mother scarcely knows they are coming. Concerning the Tablets, Mrs. F. Goldsmith, Nelson, B.C., writes: "Baby's Own Tablets are a mother's greatest help during the teething period." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
