French Captured Last of German Chain of Villages.

Fotal Advance Made by the British in Two Days is From One to Two Miles Deep Over a Front of Six warfare in which Canadians are now Miles—French Take Two Villages and Have Crushed in Two Tips of Southern Line of Great German Salient.

LONDON, Sept. 19.—Deniecourt high explosives. has fallen to the French. The last remaining link in the German chain of fortified villages that though each man was laid out at a formed the southern line of the somme salient was won by General Foch's troops south of the river after ten wounds in his legs. The Germe of the fiercest battles fought on he western front late yesterday af-

The British in further attacks Saturday enlarged ground gained in Friday's great drive. They captured 51 and 1,700 men in straightening out their lines. The number of prisoners taken indicates that the progress made in the course of the

"nibbling process" is important. Saturday night Sir Douglas Haig's roops again extended their gains near Courcellotte on a front of 1,000 yards, pushing their lines further north-eastward against Bapaume, At the same time they captured the for- laid out the stretcher bearer commidable German stronghold known as the "Danube" trench, on a front of about a mile, near Thiepval, and the powerful fieldwork near the Mouquet farm, bitterly contested for many weeks. Sunday Sir Douglas Haig's troops repulsed a series of strong German counter-attacks and consolidated Saturday's gains. They took 249 prisoners, including six of-

The total advance made by the British in the two days' fighting, according to Sir Douglas Haig's Sunday night report, is from one to two miles deep, and extends over a front of six miles. Altogether the British captured 4,000 men and 116 officers, six guns, fifty machine guns and much material. Sunday's aerial successes brought the number of Ger

uray morning up to 15. The French after two days of comparative rest resumed their drive south of the Somme Sunday afternoon. They captured the villages of Vermandovillers and Berny, portions of which they have held for more than a week. The day's fighting put the French in possession of the whole ground between the Vermandovillers, Deniecourt, and the Deniecourt Berny sectors. At Deniecourt th Germans are still desperately de fending every inch of ground, but the two tips of the southern line of the great salient have been completely crushed in., General Foch's infantry added still further to this success by capturing a number of trenches be tween Berny and Barleux. Repeated furious counter-attacks were beaten off by the French curtain of fire, Seven hundred prisoners, including

in the day's advance. Saturday night's report reads: Seth Low, former mayor of New York, died yesterday on his model farm at Bedford Hills, N. Y., where in recent years he had been significant.

"To-day (Saturday), south of the Ancre we continued our attack in certain localities, and further progress has been made. Since yesterday we has been made. Since yesterday we

two miles on a front of six miles. "The number of prisoners taken to-day is over 1,700, of whom 51 are officers. The total number of prisoners captured in the fighting of the last two days is over 4,000, of whom 116 are officers.

"Up to the present six guns and over fifty machine guns are reported to have been taken or destroyed, and a considerable quantity of Tomaterial has been captured.

"Further reports on the aerial fighting on September 15 bring the total of German machines destroyed clares that Commander Hadjopoutos battles were not looked for. loon was brought down in flames this to the officers there that Field Mar-afternoon. when the signal for the Allied offen-shal you Hindenburg has assured sive was given took the Bulgars by

"Two more of our machines are him that the Greek army had been missing, making altogether six." Sunday afterneon's report reads: "South of the Acre our troops chieved further success. Last evening in the vicinity of Courcelette we extended our gains on a front of Bulgarians. about 1,000 yards. In the hood of Thiepval we obtained a considerable success yesterday evening by capturing the hostile fortifications known as the Danube trench on a front of about a mile. Here the the 201st Toronto Light Infantry enemy abandoned considerable quantities of rifles and equipment. also captured the strongly defended work at Mouquet Farm, possession of which had been hotly contested for

some weeks past. "The number of prisoners is increasing. "A number of successful minor enterprises were also carried out by us last night on other parts of the

PALESTINE BOMBED.

British Seaplanes Drop Explosives on Ralway Junction.

LONDON, Sept. 19 .- The following report was issued by the British War Office Sunday: "Between August 25 and 29 a series of attacks and reconnaissances upon the enemy's railway communications in Palestine were carried out the effect that she may be salvaged, by a British seaplane squadron and W. J. Stewart, Dominion hydrosomewhat hazardous conditions, due to the fact that the rail- tend the salvaging operations. way runs for the most part behind a range of mountains difficult for sea-

planes to surmount. Bombs were dropped on Afuleh Junction, where considerable damage was done to the rolling stock and stores in the vicinity. A railway en gine and fourteen carriages were set affire and destroyed. The railway stations at Tulkerm and Ar dana and an enemy camp four miles to the north-west were successfully bombarded and severely damaged. "On the 26th seaplanes bombarded the railway station at Home, 45

DRIVING ON LEMBERG.

Russians Have Resumed Advance on Galician City.

LONDON, Sept. 19.—The Russians have resumed the drive on Lemberg with full vigor. The Petrograd War Office announced Sunday night that the Russians have captured Teuton positions south of Brzezany, 46 miles south-east of Lemberg, taking 14 officers and 557 furkish soldiers.

In an encircling movement against Halicz 60 miles south of the Galice.
