WORKS LIKE A VACUUM CLEANER Why not give your body a Spring House Cleaning? It is reasonable. You stay indoors too much all winter—you breathe foul air—you sleep in close rooms—you eat too much. In fact your winter life is pretty much artificial and unnatural. Then why not renovate your whole system this Spring? Take a short-cut to youth and energy. Nyal's Spring Tonic is the thing. Siphur and molasses was grandmother's way. She also scrubbed her fingernails off every Spring. But Nyal's Spring Tonic is a regular up-to-date vacuum cleaner by comparison. Gives new snap and vim—puts life and spring into your muscles—makes you feel fit and ready. If it's worth a dollar a bottle you can have your money back cheerfully.
