TWO OFFERS
RECEIVED

Street Railway Bondholders Meet in Toronto City Today.

They Still Want Mr. Stockdale Retained as Receiver.

(By Special Wire to The Courier)

TORONTO, Jan. 21.—At a meeting of the bondholders of the Grand Valley Railroad held to-day at the Trust and Guarantee Board room, E. B. Stockdale occupied the chair. Mr. Worrell, chairman of the bondholders committee, stated that the bondholders were perfectly satisfied with the receivership of the road being retained in the hands of Mr. Stockdale, although willing to have a joint receiver if found advisable appointed on behalf of National Trust Co. or other interests. Mr. Stockdale was giving every satisfaction. No motion was made on the question. Mr. Stockdale stated that at 11:15 this morning he had received an offer for the purchase of the road. He had not had time to go into the figures and thought it was inadvisable to make public the name or amount offered.

Mr. Stockdale after the meeting told The Courier the offer was from Mr. Kellett of Brantford. He refused to divulge the figures. He also stated he was negotiating with another responsible concern for the purchase of the property and expected to receive a offer to-day or to-morrow. He had also been in negotiation with some four other responsible concerns. He thought that probably three offers in all would be received for the road.

On motion the following committee of bondholders was appointed to consider in detail the Kellett offer and any other offers that may be made. Worrall, Stark, Owen, Wallace, Mc-Master, Vickers, Davies and G. H. Muirhead.

Mr. Vickers gave notice of motion that at the next meeting of bondholders he would bring up a resolution that all bondholders rank on a parity one with the other. He thought it would end in expensive and endless litigation, if the first bondholders were to rank ahead of the second bondholders. There was apparently adverse sentiment of several present against this motion although it carried.

The meeting adjourned to meet again on February 4th, to receive the report of the special committee appointed to consider offers made for the road.

Mr. Stockdale stated that he thought if a sale went through there would be a small surplus for distribution amongst bondholders.

Brantford bondholders present were H. R. Yates, W. R. Turnbull, G. H. Muirhead and R. H. Revell.

A WINDFALL FOR QUEBEC

Strathcona's Estate in That Province Estimated at Eighty Million.

(By Special Wire to The Courier)

QUEBEC, Jan. 21.—The death of Lord Strathcona will have a material effect on the revenue of the province for the current year. It is understood that the immense buildings of the late high commissioner will fall under the succession law of Quebec, and calculations are easily made that the revenue from the estate will amount up to millions of dollars.

It is said it was anticipated that the value of the holdings was about \$80,000,000, and if so, the succession duties at eight per cent would amount to \$6,400,000. This amount will very likely be modified when the value of the estate in Quebec is known, as this very point has arisen over the judgment of the Privy Council in the Cotton case. At all events the province is expecting to benefit to the extent of several millions by the death of Lord Strathcona.

His Western Estate

WINNIPEG, Man., Jan. 21.—Profound regret was expressed in the Legislature last night when the members were apprised of the death of Lord Strathcona and public tributes were paid from the floor of the house for the government by Sir Rodmond Roblin, and for the opposition by their leader, T. C. Norris.

It is estimated that the holdings of the late Lord Strathcona in Winnipeg, will total over \$2,000,000. In Silver Heights he held over 800 acres of valuable property. He owned Fort Garry Court at the corner of Main and the Broadway Block on Broadway and several other valuable properties both in the city and throughout the province.

Looking Into System

Col. Ross, city clerk at Sudbury, is in the city looking into the systems in existence in the local city clerk's department.

AN EPOCH IN CENTRAL BRITISH COLUMBIA

On Tuesday, January 13th, the laying of steel on the Grand Trunk Pacific Railway reached Prince George, the coming city of Central British Columbia, situated at the junction of the Fraser and the Nechaco Rivers. This was a momentous event, as it gives Prince George the first rail connection it has had with the outside world. It is interesting to note that up to date the Grand Trunk Pacific Townsite and Development Company have sold in their town of Prince George 3,171 lots. Total value of same being \$2,322,003.33.
