the French ambassador in Berlin

The open breach between

France and German was rapidly

followed by the appearance of

German troops on French territory

and by an incursion of bomb hurl-

ing German aeroplanes which at-

tacked the fortified town .of

Luneville without doing anything

French airmen and outposts were

also reported to have made raids

on German territory.

A more tangible occurrence was

the bombardment of a French na-

German cruiser which, however, took to its heels before doing any

damage and is cruising around the

Mediterranean rea where consider-

able number os French war yes-sels are looking for such maraud-

What the British admiralty in-tended to do was not ascertain-able number of French war ves-

lic as to the movements of British

war vessels. Precautionary meas-

ures in view of possible later de-

velopments were being taken,

lowever,, as became known

through a suggestion issued by

the admiralty department to British ships bound for continental points north of Calais.. These

were advised to dipert their course to posts in the United

kingdom in the interests of the

As to the fighting between Aus-

tria and Servia, the original com-

batants in the war which has

spread over the greater part of the European mainland, reports

come to hand from Nish, Ser-

via, that the Austrians had suf-

fered a sharp repulse and heavy

losses at the hands of the troops

In diplomatic quarters in Lon-

don it was reported without con-

firmation that the Turkish army,

which is being mobilized under the

command of General Lyman Von Sanders, the Prussian officer, who

Geo. F. Bolton, who has a livery

stable on Dalhousie street, had run

pretty close to the law. He was

charged with a breach of the liquor license act. Indians, drunk, had been

arrested by the police at the stables

WATER WORKS NOTICE HOURS FOR SPRINKLING LAWNS.

By resolution of the Board:
"No person or persons shall be allowed to sprinkle, or use in any manner whatsoever, the water supplied by the Board of Water Commissioners upon lawns, gardens, yards or grounds of any description, except between the hours of 6 and 8.30 o'clock p.m., on lawns up to and including 5,000 square feet; on lawns over that amount, from 5 to 8.30 o'clock p.m.; and any person wishing to use the water on their lawns or gardens in the morning in place of the evening may do so between the hours of 6 and 8 o'clock a.m. by giving notice to that effect in writing to the Secretary."

It must, however, be clearly under-stood that the water cannot be used on lawns or grounds both morning and evening, and hose must be detached from hydrants at 8 a.m. and the slate at the police court this 8.30 p.m. FRED. W. FRANK.

Magistrate Livingston thought that Water Commissioners' Office, F. Bolton, who has a livery Rrantford Inly 17, 1914
