Bill John was redecision contest here Saturday night. The bout, which brought together two of the cleverest boxers in the ring to-day, was hard fought from start to finish, but Gibbons scored the more frequent and more effective

McFarland showed that his long absence from the ring had dulled his speed and power to snap punches to vulnerable points of his opponent's head and body. McFarland showed Montreal flashes of his old rapid-fire left, but Toronto ... the leads were little more than snaps Rochester 61 and did not check Gibbons in his Harrisburg 59 more effective assaults..

PACKEY NERVOUS McFarland appeared nervous when he entered the ring and was not as finely conditioned as his opponent. The St. Paul phantom immediately took his aggressive and showed that he intended to make a fight of it instead of a sparring exhibition. There was power behind almost every blow that he landed and he found little difficulty in beating the stockyards' boxer to the punch. For the first four rounds Gibbons was always in the lead, playing alternately for the head and body ..

In the fifth, McFarland took the aggressive and being thoroughly warmed up fought desperately to stem the tide of defeat. Gibbons met him half way, however, and the best the Chicago boxer could get was an even break in this round. Mike increased his speed in the sixth and creased his speed in the sixth and Chicago . scored the majority of effective blows Cincinnati McFarland made a strong play for Gibbons' body, but the latter covered so well that few of them reached their objective. Packey cut loose in the seventh and rained a shower of blows to Gibbons' face, one of which

split the left eyebrow. McFarland tried to outlight Gibbons in the next round, but although the latter was beginning to weaken he staggered Packey with several blows to the head and still maintained his lead.

COMES UP SMILING McFarland came up with a smile in the eighth and fought with his oid confidence. He outboxed and outpunched Gibbons and continued his advantage in the final round, being strong at the finish and master of his opponent. The long lead that Gibbons had gained in the earlier rounds however was too great to be overcome and the consensus of opinion was Chicago strongly in favor of the St. Paul box- Washington er, as the winner on points of the New York 59 largest purse ever offered for so St. Louis

Gibbons was favorite in the wagering at odds ranging from 8 to 5 and to I and while no larger sums we staked there were hundreds of small bets, so great was the interest in the difference of opinion regarding the outcome of the bout. LEAFS WON TWO FROM SKEETERS

First Game Was a Slugfest and Second a Pitchers' Battle.

Toronto, Sept. 13—The Leafs grabbed both ends of the double-header Saturday from the Skeeters, again fallen into a batting slump, but despite a drop of five points below the first by the one-sided score of his mark of last week, the Detroit 12 to 1, while the second was won This double star still is leading the American by the locals by I to 0. This double wins gives the Leafs eight of the nine cording to averages published here on League affairs on the week, which is Saturday. Cobb maintains his speed on the bases, however, and is leading three out of four from Buffalo, took three straight from Harrisburg and also has strengthened his margin as grabbed the first pair from Jersey City the leading run getter, having scored not counting the Patriotic Contest Crawford, Cobb's team mate, drove which they won from Ottawa. Mc-Tigue and Herbert were on the mound for the locals, the former havumn with a total of 249 bases, 12 ing an easy time in winning his game, while Herbert let the visitors down with two hits and beat Crutcher in a pitcher's battle. Williams nad two home runs in the first game, which

was a slugfest.

This is the closing week of the International League, with the Leats playing ten games in six days. The Skeeters will finish their series with a double header this afternoon, while Richmond come here to-morrow to play another double header, with single games on Wednesday and Thursday. Then Providence tackies the Leafs Friday and Saturday, with Then Providence tackles the two games on each day.

The result of Saturday's games saw the Grays and Bisons, the leaders, win two games, but rain prevented the Grays playing yesterday at Montreal, which means a double header today against the Royals. The Grays then shift to Buffalo, where they play two games to-morrow. Single games between the leaders are scheduled on Wednesday and Thursday, but there may be some postponed games to play off, thus giving Providence a rocky road this week, and, as Onslow first baseman of the champions, sprained his ankle, Saturday at Montreal, their chances for the pennant suffered a blow. By Rochester break-ing even with Richmond the Leafs are now in fourth place, and only four points behind Montreal.

*************** Sporting Comment

With forty candidates out Friday night and 25 out Saturday afternoon, the local Collegiate team does not look as if it would suffer from lack of material. This is by no means Rugby temperature, nevertheless all the students turn out faithfully in the sweltering weather anxious to get themselves into condition. With such enthusiasm and such numbers, the cham-

pionship stands a good chance to re-

turn to Brantford. The first gasp of the great western tour of the leaders in the National League is over and Philadelphia still holds its own. The Quakers won on Saturday, while the other teams split even. Philadelphia has a 30 point lead, and despite the hard sledding be fore them look as if they will hold it Detroit's chances are getting dimme and dimmer, as Boston refuses to lose. The Tigers finish the week Boston, and that will tell the tale.

There is a great race in the Federal League, but the most noticeable thing about the lunch-counter circuit is the sudden spurt of Buffalo. A month ago Buffalo was away down, hopelessly in the mire, to-day they are only 50 points behind the leaders and coming like a house a-fire. The rush of the Boston Braves or the late lamented Brantford Red Sox had nothing on the Buffeds. There is a tidy race on in the International also, between Buffalo and Providence. Buffalo finishes at home, while Providence ends the season at Buffalo and Toronto. Only about 20 points separate the leaders and the Rhode Island champions, although in the lead, will have a hard time repeating. The league wines up on Saturday.

It must be remembered that this seed grain, fodder, and relief distribution has been a most extensive and far spread undertaking. A definite must be adopted. It is not an easy matter to work out such a system without entailing too great expense to co-operate in the matter of collections. In this way the organization at their disposal is used and the ne-

The Minister confidently hopes that all who have received assistance and will accept the policy of the reduced amount to be collected this year as fair and equitable, and that all will co-operate and lend their assistance to work out successfully.

Aside from the question of ocean tonnage and exchange there should be no difficulty in moving the Canadian crop, although it may take longer than usual. Certainly there should be no difficulty in financing the movement. The banks are more liquid than they have been for years. In addition they have as a reserve their emergency circulation and the facilities afforded under the Finance Act of 1914 by which they can obtain advances in Dominion notes against grain bills and other securities. So far as concerns credits to farmers, two recent amendments to the Bank Act introduced by Hon. W. T. White, are important. Under one a bank may take security upon grain remaining in the farmers' possession, and under the other the bank may take security upon a crop for seed grain advances. The financial legislation of the Dominion seems to have provided all possible facilities for the financing of the crop movement.

PREMIER BORDEN BRINGS MESSAGE FROM SOLDIERS

Robert Borden in Montreal on his return from England, he gave to the people of Canada a message from our gallant soldiers at the front. "Even greater than this," said the Premier, "was my privilege of visiting the convalescent hospitals. There I met our gallant men who had come back from the very valley of the shadow of death. They had gone through as trying ordeals as have ever been recorded in the history of the world, but I found them all cheerful, and all inspired with the

same courageous determination as those others still at the front. It was an inspiration to me, and I felt, when I addressed a thousand convalescent Canadians that it was the noblest audience I had ever faced.
