## FIRST BREAK

Major Williamson of Shacoa is in the city to-day to attend the funeral of his sister, the late Mrs. Charles Simons, who passed away here recently. Her death marks the first break in a family of six brothers and three sisters.

## FINANCE COMMITTEE.

A meeting of the finance committee of the city council was held last evening when a deputation was heard in the interests of the British Red Cross. This matter occupied most of the time, the remainder of the session being devoted to purely routine business.

## POLICE COURT.

An old charge of abduction against Wm. Timbers, was dismissed this morning, a suitable adjustment having been made. A charge of non-support against Percy Bean was also withdrawn. Mrs. Sarah Hollister and Herbert C. Avey, charged with a breach of the Trunney Act, were remanded until November 1st.

## BASKETBALL.

Under the supervision of Coach George Mosley, the Brants held a snappy basketball practice last evening on the Y. M. C. A. floor, evincing lots of pep and splendid combination and team work. The Brants will probably play their first game of the season in about two weeks, mating up then with the Collegiate team.

## POLICE COURT FINES.

At the municipal convention in Toronto, Mayor Bowly was named first as one of a committee of five, to appear before the Ontario Government in council, and ask that all police court fines go to the municipalities. To-day he received word from Toronto that the committee would be heard on Wednesday morning next, Nov. 1st, at 11 a.m.

## DUTCH BARRED

Amsterdam, via London, Oct. 27.—As a measure of reprisal against Norway, says the Neue Rotterdamische Courant, Germany has notified Dutch firms that they must not use German iron for repairing Norwegian vessels. Unless they comply they will be deprived of further supplies and material from Germany.

## OPIMUM TRAFFIC

Amoy, China, Oct. 27.—Troops which had been guarding the Kwang-Tung-Fukien border have been recalled to assist in the destruction of poppies, which have been planted extensively for the making of opium, in the Tungan district during the unsettled period resulting from the recent revolts in the vicinity of Canton. Resistance by the opium planters is considered probable.

## LABOR FAMINE

Chicago, Oct. 27.—Chicago faces a famine in common labor, according to the inspection department of the Illinois state employment agency, Canal street, Madison. One of the greatest markets for common labor in the United States is slowly being deserted by employment agents, who for years congregated in that locality.

## SEAL HERDS

Seattle, Wash., Oct. 27.—The seal herds on the Pribilof Islands in Behring Sea have increased so rapidly since killing of the fur-bearing animals was prohibited, that the government will begin to kill them regularly next year, according to a statement made by H. J. Christoffer, assistant agent for the United States bureau of fisheries, who has returned from an inspection trip to the islands. Mr. Christoffer made the trip on the steamer Ellihu Thomson, which left here September 5, with water supplies for the islands. The Thomson brought back 7,000 skins which were taken from seals killed to supply food for the natives on the islands. The skins will be shipped to St. Louis, where the government will sell them at auction.
