HUNS SCORE A SUCCESS

Penetrate British Positions
In Belgium

Have Reached Right Bank
of Yser Near the Sea.

By Courier Leased Wire.
London, July 11.—The enemy pen-
etrated British positions in Belgium
on a front of 1,400 yards, to a depth
of 300 yards, says a statement issued
by the British War Office today.

In their advance the Germans
reached the right bank of the Yser
near the sea. The attack followed a
24 hour bombardment during which
the defenses in the dunes sector, near
the coast were levelled. The sector
was isolated by destruction of bridges
over the Yser.

The announcement follows:
"After a very intense bombard-
ment, lasting 24 hours, the enemy
made a determined attack on our
positions in the Neuport front yester-
day at 7.45 p.m. Owing to the
concentrated and heavy nature of the
enemy's artillery fire, the defenses
in the dunes sector, near the coast
were levelled and this sector was
isolated by the destruction of bridges
across the River Yser. The enemy
succeeded in penetrating our
positions here on a front of 1,400
yards and to a depth of 300 yards.
They reached the right bank of the
River Yser, near the sea.
"Further south, opposite Lom-
baertzyde, after gaining temporarily
some of our advanced positions, the
enemy was driven back to his own
lines by a counter-attack."

CANADIAN SOLDIER'S LETTER

Says Dr. Cassell's Tablets Have
Kept Him Fit Through Two
Years

Sapper A. Hartley, of the A Com-
pany, Canadian Engineers, whose
home address is 906, Trafalgar-
street, London, Ontario, is one of
many who have written in praise of
Dr. Cassell's Tablets. He says: "As
a constant user of Dr. Cassell's Ta-
blets, I would like to add my testi-
mony to their value. I used them
when I was in the South African
War, and, finding the benefit of
them there, have taken them since
whenever I felt rundown. I always
recommend them, for I know that
they do all that is claimed for them.
In my opinion they are the best
tonic anyone can take for loss of ap-
petite, poor health of the blood, or
general weakness of the system."

A free sample of Dr. Cassell's Ta-
blets will be sent to you on receipt of
5 cents for mailing and packing. Ad-
dress: Harold W. Hitchens & Co., Ltd.,
10 McCaul St., Toronto.
Dr. Cassell's Tablets are the
surest home remedy for Dyspepsia, Kid-
ney Trouble, Sleeplessness, Anaemia,

Palpitation, and Weakness in chil-
dren. Specially valuable for nursing
mothers and during the critical peri-
ods of life. Sold by druggists and
storekeepers throughout Canada.
Prices: One tube, 50 cents; six tubes
for the price of five. Beware of imi-
tations and to contain hypophos-
phites. The composition of Dr. Cas-
sell's Tablets is known only to the

ONONDAGA COUNCIL

Onondaga, July 6.—A special
meeting was held in town hall, at
8 p.m.

A large deputation from Middle-
port waited on the Council, urging
that they do all in their power to get
the Grand Trunk Railway to build a
sidling at Middleport Station, as the
farmers are placed under great dis-
advantage when shipping hay and
grain, on account of the long draw,
while it is almost impossible to un-
load a car of gravel or other building
material without paying demurrage.
The Reeve in reply said the county
council were going to take the mat-
ter up, as it also would be a great
benefit to the County, in view of the
fact that the County Road passed
by Middleport Station, and a great
saving would be made in teaming
crushed stone and other material
used for bridge building.

The Road Committee of Division
No. 2, was asked to again interview
Mr. Chapman, in regard to changing
the water course of creek, opposite
his place, and if no agreement can
be reached, tenders are to be asked
for to erect the bridge on the west
side fronting his place.
The accounts of Leonard Cooper,
of \$15, for removing drift wood from
bridge, near river, on Fairchild's
Creek, and D. W. Moore, of \$25.40
for printing voter lists, were paid, al-
so James Thompson received \$1000
on account for building bridges at
Mulligan's and Pogg's.

WILL START MOVEMENT.

By Courier Leased Wire.
Hamilton, July 11.—The Hamil-
ton Board of Trade, unless conditions
are remedied at once, will likely
start a movement with view to hav-
ing the Dominion Railway Board
triple or double car demurrage char-
ges. It is believed here the coal sit-
uation is much more serious
than is generally known, and that if
rolling stock is not kept moving
many people will be without coal in
the winter.

ture of the morning session of the
