ONLY TEMPORARY

Some concern as to the future of Dawson has been expressed by reason of the fact that so large a percentage of the population has left the city since the opening of navigation...

In this great contest we want the aid of United Tammany—the greatest local political organization on earth. We want you to close up ranks, to settle your local differences...

More gold was taken during the season from the digging in Dawson than during the previous year, and the outlook is that the output will show a still greater increase...

BEAUTIFULLY INCASED

The recent promulgation of the issuance of licenses to the waters of the Yukon is another gem in the coronation of legislative brilliancy.

NOTICE

The commanding officer of the N. W. M. P. has been appointed chief overseer of the fisheries in the Yukon territory.

Tammany's Stampede

New York, July 4.—Tammany Hall celebrated Independence day as customary at the Fourteenth street wigwag. The gathering was remarkable for its unexpected features.

Ex-Governor Hogg of Texas created a sensation by the manner in which he introduced the name of William J. Bryan and the Chicago platform to the meeting.

The boom that was launched for Augustus Van Wyck had a very different reception. It had been arranged that Congressman James D. Richardson of Tennessee should speak, but he was unable to attend.

When Gov. Hogg arose he received a hearty welcome, and he indulged in a few remarks that seemed to please the Tammany men immensely.

After a few moments, which he used in outlining the well established and time worn principles of democracy, Gov. Hogg began a philippic which set the house in an uproar. The applause began when he asserted that next year the democratic party would declare for the free and unlimited coinage of silver at the ratio of 16 to 1.

Men who had appeared to be half asleep woke up with a start and joined in the applause. When the speaker promised a plank in the platform of next year in which imperialism would be denounced, the applause broke forth anew.

As the last words fell from the lips of the speaker the audience was carried away in an outburst of enthusiastic applause. Cheers after cheers arose, and what had started out as a Tammany love feast became a howling silver demonstration.

An Ornament

The Trading & Exploring Co., whose display ad appears elsewhere in this issue, has added to the other attractions of its fine store the largest plate glass ever brought north of Vancouver.

Association Building Sold

The Miners' Association building was sold at auction a few days ago under a judgment of \$2000 in favor of the contractors. J. B. Tyrrell was the purchaser and the price \$500.

Before leaving Dawson for the outside, Major Welsh, the commissioner at that time, in a letter addressed to Colonel MacGregor, stated that he had recommended the granting of a

title or lease of the above named lots to the Miners' Association for the purpose of erecting thereon a miners' institute. The matter was then referred to Ottawa, and in reply Mr. Ogilvie received instructions re the granting of the said title to the said lot for the institute when the association would be incorporated.

The Miners' Association is not yet dissolved, and while it chooses to longer live it has the same prior claim on the lot on which the institute stands as it had before the sale took place.

POLICE COURT NOTES

Mr. Haussler was again liberated upon securing the proper bail bonds.

John Williams, accused of attempts to steal a fish from the Martony restaurant, was discharged.

Joseph de Lorge was placed under arrest Thursday on complaint of C. E. Coy charged with stealing a sack of sugar, valued at \$75.

Ben F. Doyle was once the trusted employe of Griffin & Boyker, but their confidence in the young man was forever dissipated when one of them caught him in possession of \$2 worth of canned tomatoes he had stolen from them.

The Brehmer Murder Case. The preliminary hearing of William Bennett, charged with the murder, on May 16, of Arnold Brehmer, a fellow employe at the Dawson brewery, is being conducted by Justice Stearnes.

Dr. Good testified that he made a post mortem examination of the remains, with the result that he found a fracture of the skull on the left side and a large clot of blood lying on the brain immediately under it. He believed that the man's death was due to the injury on the head and said it was caused by a heavy blow.

Justice Frank Harper, who had the case entered into it in order that he might take the stand as a witness, testified that he made a personal search into the circumstances as coroner; that he examined Bennett about it and the prisoner told him he had struck Brehmer with a bottle.

Henry Kern, the owner of the brewery, told of the quarrel as did another of his employes. The examination had not been completed at the time of going to press, but there is no doubt about the final outcome.
