Cured her Father's Drunkenness by a Simple Remedy.

Saves her father from a drunkard's grave. Free sample of Samsara Tonic Prescription checks his drinking and leads to a complete cure.

"It seemed hopeless to keep father from drinking, and we all felt the disgrace. When things were at their worst a friend advised me to try Samsara. I saw that you offered a free sample treatment and that the remedy was tasteless and could be given secretly. I determined to try it, and have been glad every day since. The full treatment, which I gave him in his tea, cured him, and I am pleased to say he now touches whiskey now. How glad I am that I wrote you and how happy we all are. My father says that he could never have stopped drinking of his own accord."
