friends and sympathizers, but as regards the matter of Congressional funerals all good citizens hasten to mingle their hair with his and to cheer him with a reverthis beard that he will make the fight of by him last session. his life in Congress on this subject. The Congressional funeral custom has developed into a scandal. Its history is a mere chronicle of wassail and ungodly glee. The expense account is a revelation of the express car well forward, but the At Chatham, on Friday, the 20th December, Pullman is filled with rollicking trencherwen, and its atmosphere is charged with the custom has with rank luxuriance flowered into coarse vulgarity. Originally, members of Congress followed their ally, members of Congress followed their all the congress followed the congress f them to the music of popping corks and family to mourn their loss. with the accompaniment of a small sized Mardi Gras carouse. There have been in all seventy-three funerals from the Senate of which we record. The last thirteen of these cost more than the sixty that pre ceded them. The funeral of a California

P. ffer is right. The abuse has become

shocking and disreputable. Public cyclicion calls lendly for its prompt elimination.

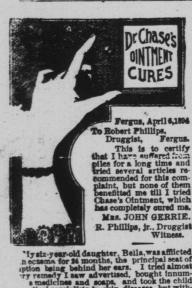

There is no topic so fruitful of speculation is pottered in a political circles as the extra-ordinary career that Mr. Bayard so far has run a ambasado to England. In some quarters this speculation is somewhat ill-natured, but in others—and these include quarter democratic, as well as quarters republicam—the comment is both discrimating and severe. It is a mountiful and quarter strength of the citizen of the citi ambition to be President, Mr. Bayard decided to try for laurels in the domain of diplomacy. He accepted the English mission with a determination to shine at the court of St. James. It was not an casy berth even for Mr. Bayard. Mr. Lowell, by the aid of a finished scholarship, and Mr. Phelps, by the aid of feliciteus speaking, had served brilliantly in the post and made a deep impressio on the English. Mr. Bayard began steering his course somewhat between those lines, and has ended by running up the British flag above that of his own

One of the saddest places about the whole Capitol is the little corner off of only eased by a stooping position. Added to this she was troubled with a hacking statuary hall where women wait the slow motions of their 'influence.' The condensed heartable and desperation that are crowded into that narrow space day fiter day are enough to sotter any heart. One day this week, there sat waiting in that corner a poor widow. It was a raw, cold day, but the desolate woraan had only a thin shawl about her and one shoe was all broken at the side. She had sent in for 'her' Representative, and when he came out he was colly courteous, but finally seemed to warm up little; and promised to see 'Senator' the senator without aid, and from that time on lot this hewas troubled with a backing cough, sometimes so severe at night that are crowded into that narrow space day fired day are enough to sotter any heart. One day this week, there sat waiting in that corner a poor widow. It was a raw, cold day, but the desolate woraan had only a thin shawl about her and one shoe was all broken at the side. She had sent in for 'her' Representative, and when he came ont he was colly courteous, but finally seemed to warm up little; and promised to see 'Senator' flow without aid, and from that time on lot with a backing cough, sometimes so severe at night that are did not obtain more than a few hours are crowded into that narrow space day fer day are enough to sotter any heart. One day this week, there sat waiting in that corner a poor widow. It was decided that for the present no larger subscriptions than one dollar shall be solicited from each individual. While the committee are making arrangements for a thorough canvas of the city, all who are so disposed can hand in their subscriptions to the cashier of the Union bank.

Bread and Bacteria.

Dr. Waldo has been insued. Nomination takes place on the 30th of December. The above officient and the election a week later.

The Australian mail by the steamer "Miowera', which arrived here yester day, brought to the Department of Trade and Commerce a brief report from the out walk across the bedroom from each individual. While the committee are making arrange
