IMPORTANT TO THE Citizens of Newfoundland.

THE CONTINENTAL LIFE INSURANCE COMPANY OF NEW YORK,

IN order to complete their line of Agencies from London to San Francisco, California and to extend universally the benefits and advantages offered by their Company and to place within reach of all the means of making provision for the Widow and the Orphan have decided on establishing Agencies in

St. John's and Harbor Grace, Newfoundland.

The CONTINENTAL beyond all comparison the most successful and most popular Company ever established in Europe or America. It has only been SEVEN YEARS in existence but at its organization men of enlarged views and great experience in Life Insurance, were placed in its management, who, having discarded all useless and annoying restrictions, and adopted all the improvements known in Life Insurance—many of them original with themselves, it at once received, and continues to receive a support unprecedented; and it now stands far ahead of many companies TEN YEARS older than itself. It has issued over FIFTY-NINE THOUSAND POLICIES, and has over \$6,750,000,000 assets, all securely invested, as required by law, in Bonds of the United States, Bonds of the State of New York, or in Real Estate. For that portion invested in Real Estate, it holds in all cases Double Security. So popular is its management and so great the public confidence that there are only Two Companies in the World that now approach it in the amount of business done.

By the Laws of the State of New York Life Insurance Companies are not allowed to do Fire Insurance or any other business, the importance of which law cannot be over-estimated by all who desire to protect their families by Life Insurance, and who do not wish to have their funds put in jeopardy by Fire Insurance.

By the Laws of New York Life Insurance Policies are held sacred to the families of the insured, free from the claim of Creditors.

The CONTINENTAL issues all kinds of Policies, viz: Ordinary Life, Endowment, Joint, &c.

All losses in Newfoundland will be paid at the Agency here without subjecting claimants to the trouble and expense of going to New York.

All Policy holders can vote and are eligible to office.
