on business principles. bought Monoton lands on business but kept them all the time in route principles for \$5,075, and at once of laughter with his eplendid stories, sold them on patronage principles to the government for \$13,880. The unnecessary middleman.

THE MIDDLEMAN.

l ist for the privilege of supplying "Sarely," said Dafferin, "there He pays 25 per cent- rake-off above on was that one-eyed Dufferin was the printer's price for these very going to marry Miss Hamilton." circulars. He promises now to . Next to the Marquis, the most advertise through the papers and secomplished and successful Govtwo masters.

Colonial Rulers I Have Known.

(By Judge Prowes, of Newfoundland.)

The Colonial Governor is a ver" interesting character, It seems strange to me that he has been so little used in fiction. There are, of course, the two great creations, Cervantes, Don Sancho Panas, Governor of the rich and fertile island of Barataria, and the immortal Rawdon Crawley, C. B., of "Vanity Fair," Governor of Coventry Island, When Thackeray drow this sketch of Booky Sharp's bushand, captious pritics declared that the incident of Rawdon's appointment to a Colonial Gavernorship was wholly improbable, and that it could never bave come about through such bucketairs influence. To my mind, everything about the little vignette in this grea novel, including the sketch of Coventry Island politics, and the edmir able touch about giving enitable rewards to our gallant Peninsula and Waterloo heross, is simply

Governments to-day dare not appoint an inferior man to fill the is the greatest help for babie late Lord Dufferin's place as Governor General of Canada, In the Georgian era (the time of " Vanity Fair") it was quite different, In one case, the one legitimate son of a little does them so much a great engineer officer, who did good and saves you so much good service under Wolfe at Quebec, worry. You owe it to them good service under Wolfe at Quebec, got an appointment as Attorney-General of Cape Breton when he strong and healthy as possible was just of age. He was so boyish Scott's Emulsion will help that his friends persuaded him to wear false whiskers when he presinted bimself at Downing street. A little later, through the same many worthless imitations. influence, he was made Judge of the Supreme Court in a large Colony. An illustration of his legal knowledge is best shown by his remarks from the well-known treatise, as well-known treatise,

An Ancient Foe To finalth and happiness is therefulnugly as ever alnos time inimit It causes hunches in the neck, disgures the skin, inflames the museus rane, waster the muscles, wentms the bones, reduces the power of we remember that Harvey was the or recovery, and develops into con-
