During the past ten years the proprietor of the Great Canadian Remedy has faithfully redeemed every bottle sold guarantee made to the public over his signature. Alarming and apparently hopeless cases of Lung Disease, Dyspepsia, Liver complaints, Affections of the Kidneys and Assorted Disorders of every description, including Scrofula and Skin Diseases of life-long duration, have been permanently relieved and cured. Read the following and judge for yourself their testimony to the efficacy of the Great Bloodcleansing Remedy. If you are afflicted do not delay until medicine may be powerless to aid you. No impurities of the blood can possibly follow the use of these Indian Remedies, as they are composed entirely of roots and herbs, in form of extracts, and are the most powerful stimulant. These Indian Remedies are widely known and still possess the public confidence after the lapse of sufficient time to test their virtues.

The Bloodcleansing Vegetable Sugar Coated Pills have won for themselves the most favorable reputation of any pill before the public. Their efficacy has been fully proved as a remedy for Biliousness, Dyspepsia, Constipation, Costiveness, Piles, Headache, Dizziness, Sick Headache, Colds, Fevers, Ague and Fever, Inflammation of the Bowels, Worms, Erysipelas, Rheumatism, Neuralgia, Female Complaints, Gout, Dropsy, Gravel, Scurvy, Blotches, Boils, Tumors, Ulcers, Venereal Diseases, Impurities of the Blood, Fits, Palpitation of the Heart, Pain in the Side, Back and Loins, and all diseases arising from a disordered liver, stomach or blood. CATARRH.

Five Years' Sickness Cured by Four Bottles of Constitutional Catarrh Remedy.

Pain in Shoulders, Back and Lungs, an Droppings in Throat Disappear.

ST. ARMAND, P. Q., Sept. 13, 1876.

MR. T. B. HARDING

Dear Sir—Being desirous that others may know something of the merits of your CONSTITUTIONAL CATARRH REMEDY, I wish to inform you what it has done for me. I am twenty-nine years old; had been out of health for about five years. I had employed three or four different doctors, and tried various medicines, without receiving any permanent benefit, but continued rather to grow worse, until last fall, when I had become so bad as to be unable to do my home's work at a time. Had severe soreness and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight bearing it down, with continual dropping in the throat and down upon the lungs. Such was my condition when I commenced to take your Catarrh Remedy, one bottle of which eased my pains and gave me an improved appetite, and after taking four bottles I was restored to health so as to be able to endure hard and continued labor, such as chopping and clearing land at which I have been engaged the past season. My recovery I attribute solely, with God's blessing, to the use of your Catarrh Remedy.

Yours truly HENRY SNIDER,

King John of Abyssinia has appointed Rasse Kassai an English officer, as the Commander-in-Chief of his army in Africa.

Nine race horses, the "flower of the Victorian stable," were lost near Melbourne, not long since. They were insured at $65,000.

A girl at Sunderland, England, while running to look at a funeral fell down, and a hairpin ran into one of the apertures of the spine, through which the nerves pass, causing inflammation of the spine and ultimately death. So much for curiosity and hairpins.

The Princess Frederica has been the faithful companion of her father, ex-King George of Hanover, ever since he sought refuge with his ally, the Emperor of Austria. Tall, and of blonde hair and complexion, she is said to be not questionably more beautiful than any other European princess.

The proposal to submerge a portion of North Africa, by means of a canal from the Gulf of Gabs, linking the inland lake regions of Djerid, passes from the facts just detailed by M. M. Rudaire and Dupuis, to be not only practicable, but also likely to turn out a remunerative undertaking.

There will be five eclipses in 1877, viz: A total eclipse of the moon on February 27, visible in the United States; a partial eclipse of the sun on March 14, visible in Western Asia; a partial eclipse of the sun on August 9, visible in Alaska, Kamschatka and the North Pacific Ocean; a total eclipse of the moon on August 23, partly visible in the Eastern and Southern States, and a partial eclipse of the sun on September 7, visible in South America.

Ostrich farming is carried on with the best success at the Cape of Good Hope. Choice birds are worth $350 each. They feed on grass like cattle, and require very little care. Usually they are tolerably docile, but at the breeding season they become irritable, and will often attack a person who ventures too near them. Each bird yields from $150 to $200 worth of feathers per year. Those from the female are gray, and those from the male black, except a single white plume which grows under each wing, and which is the most valuable of all.

Six women are at present Knights of the Grand Cross of the Legion of Honor, namely, Mme. Dubar (Sister Victoire), Superior of the Convent Esperance, in Nancy; Rosa Bonheur, Lady Pigott, decorated by M. Thiers for her zeal in helping the wounded on the battle-fields in the late war; Miss Bertha Rocher, of Havre, who founded several charitable institutions and hospitals, the Superior of the Sisters of Charity at Toulouse, who at the risk of her own life saved many persons during the recent floods; and the Superior of the Sisters of St. Joseph, of Guadaloupe, who has labored for 40 years among the poor and sick in the French colonies.

VERY SENSIBLE.—Horse dealers who are supposed to know what effects their interest, purchase "Darley's Condition Powders and Arabian Heave Remedy" by the dozen, and feed it to their horses for the purpose of improving their condition, which it always does; others should profit by their example—Remember the name, and see that the signature of Hurd & Co., is on each package. HAVE YOU TRIED IT?—If not don't delay another moment, but get a bottle of the "Canadian Pain Destroyer." It is far ahead of any other medicine, and was never known to fail. All aches and pains are immediately and permanently removed by it, and the price places it within the reach of all. Sold by all Medicine Dealers.

If so, use promptly "Bryan's Pulmonic Wafers."—They relieve the air passages of phlegm or mucous, and allay inflammation, and no safer remedy can be had for coughs, colds, or any complaint of the throat or lungs, and if taken in time their efficacy will soon be proved. Harper's Magazine.

ILLUSTRATED.

Notices of the Press.

The Magazine has attained in its one quarter century and more of existence to that point where it may be said of it, in the words of Dr. Johnson, "It is vain to blame and useless to praise." The lustre of its long-ago-attained reputation has increased as the years have passed, and the future seems as bright if not brighter than at any time since the golden hue of prosperity settled around its interest and bestowed its benediction.—*Boston Post.*

Harper's Monthly is marked by the same characteristics which gave it circulation from the first with the better class of readers. It contains reading matter with illustrations in a way to make the former stand plain the facts presented. Pictures merely designed to catch the eye of the ignorant are never inserted.—*Chicago World.*
