FROM FRENCH RIVER

A Story Told by Mr. Samuel Clarke Which Will Interest Many People.

Mr. Samuel Clark, of French River, Ont, has for two years lived anything but a happy life. Everything was pleasant with him, but his health was bad. Dyspepsia's pains worried and annoyed him until he was sick. He tried many remedies, but could get no

At last, encouraged by the advice of a friend who commenced the use of Dodd's Dyspepsia Tablets, and after a short time was delighted to find that his condition was improved. The relief was almost instantaneous. He continued the treatment until he had used altogether six boxes, and since then although he has exercised little or no care in his diet, he has never had the slightest symptom of the return of Dyspensia.

Mr. Clarke's experience will, indeed. be grateful news to many people, who, like him, have been tortured almost to desperation by Stomach Trouble. His letter reads as follows:

"I had been troubled with Dyspepsia for two years and had tried various remedies without relief. I used six boxes of Dodd's Dyspepsia Tab-lets according to directions and they have effected in me a permanent cure.
"I still use the Tablets after I have eaten something which I fear might bring on the return of the trouble, but this is only occasionally, so that I am quite sure my cure is a perfect and permanent one.' What Mr. Clark says is certainly worth considering by those who ex-

perience similar symptoms. There is no form of stomach trouble (except Cancer) that Dodd's Dyspepsia Tablets will not instantly relieve and perfectly and permanently cure, and there is absolutely no reason why you should suffer a moment longer.

FIRE CHIEF DROPPED DEAD. Mobile, Ala., Oct. 9.—Nat Sloane, chief of the Mobile fire department, and one of the best-known firemen in the United States, dropped dead while at a fire last night.

SPARROWS OF PARIS. Many visitors to Paris are familiar with the sparrow tamer in the Tuillerier Gardens. On most days, at some hour or other, may be seen this devo-tee of the gamins de Paris as these pert and much-petted little creatures are called, dozens of them fluttering around him, some perching on the rim of his hat, others on his shoulder, others again on his finger tips. But the amateur bird tamer has done more than merely tame his sparrows. He has accorded names to a few of He has accorded names to a few of the most intelligent—in fact, baptized them. Thus you may see "Marie" or "Jeanne" hopping when called toward their friend, and the pretty sight acclaimed by onlookers; for no sooner does the well-known figure take his stand than a little crowd gathers round him, old and young, gentle and simple. Senators' and butchers' boys equally delighting in the gratuitous spectacle.—Westminster Gazette.

GREAT CROWD AT DELAWARE

Threatening Weather Fails to Keep People Away From the Fair.

Pretty Village Literally Packed With Vehicles ---- A Good Class of Exhibits --- Names of Those Who Carried Away Prizes.

fall show was held yesterday, when it was demonstrated by the big crowd present that the fair possesses a firm hold on the affections of those who patronize it regularly. In the morning, with the rain coming down freely, the outlook was decidedly gloomy, quite in keeping with the feelings of some of the directors, who saw nothing but a dismal failure in store after a lot of hard work. But the sanguine ones smiled as the rain held off, and the crowds commenced pouring in from all points during the afternoon, until the pretty village nestling at the foot of the big hill was literally packed with rigs of all kinds, and the exhibition grounds contained entries sufficiently numerous to insure the show's success. Many from London were there.

The secretary is never troubled by people asking for passes, for everything is free. It is literally a street fair, and the roots, vegetables and fruit are strewn on the grass, each in the places assigned them by those in

There was a great display of vegetables, this being a noticeable feature, for at many shows in this department a great falling off has been noticeable

The main building was packed with ladies' handiwork, the cooking being so tempting that, as is generally the case in Delaware, a man armed with a long pole, seated in the center of the table, is detailed to rap the fingers of those disposed to pick the dainty

There was the usual big display of fancy work. The display of horses was very good, but the number of entries in cattle, sheep and pigs was hardly up to previous years. The trials of speed interested a big crowd until nearly dark. The officers deserve praise for the success of the show, which in every way was up to that of previous years. The names of the workers are as follows: President James Bradt; first vice-president, Jos. Howlett; second vice-president, H. N. Gibson; secretary, N. Bodkin; treasurer, H. C. DADWAY'S

Always Reliable. Purely Vegetable

Perfectly tasteless, elegantly coated, purge, regulate, purify, cleanse and strergthen. RADWAY'S PILLS for the cure of disorders of the Stomach, Bowels, Kidneys, Bladder, Nervous Diseases, Diz-ziness, Vertigo, Costiveness, Piles.

Sick Headache, Female Complaints, Biliousness, Indigestion, Dyspepsia, Constipation and All Disorders of the Liver.

Dr. Radway & Co.—As an introduction, I must make the following remarks: Had each one of the lawmakers of our country the virtues and powers of your pills America would soon become a paradise. That your pills would conquer the obstinacy of my complaint is more than wonderful. The movement of my bowels is as regular as the works of a good watch. I began with four pills and decreased to two, and for a time took one two hours before dinner, and have a free movement of the bowels every morning. It is seven weeks since I have taken any of your pills, but still have regular movements every morning.

Kind gentlemen, I wish further to tell you: A poor washerwoman that suffered from a tumor and would have paid \$150 for an operation. I dissuaded her from doing so. Owing to her tumor she was obliged to stay in bed, but now she has gone to Pennsylvania, cured through taking your Pills and Resolvent as you direct in your treatise on tumor. Respectfully.

ONE TO THREE OF RADWAY'S PILLS, once in twenty-four hours, will secure regular evacuations from the bowles. Persons who for twenty years have not enjoyed a natural stool, and have been compelled to use injections, have been cured by a few doses of Radway's Pills.

True Comfort for the Aged and Others Afflicted with Costiveness and Paralysis of the Bowels.

Persons advanced in life often suffer from indigestion, and from paralysis or inability to evacuate from the bowels; likewise from urinary difficulties. We have the evidence of a large number of aged persons from 60 to 80 years of age who had daily been compelled to resort to injections to empty the bowels, have been cured by the use of Radway's Pills. Two or three pills every night in all cases insure a natural evacuation from the bowels, and the regular flow of urine. In cases where there is irritation of the bladder, Radway's Resolvent should be used with the Pills. If these organs are kept regular, life may be extended to a much longer period. By keeping the Liver, Stomach, Bowels and Kidneys in a healthy condition the blood will continue pure and dissolution checked. If Radway's Pills and Resolvent are used by the aged, life will be prolonged to the full measure of time. Another great end is secured by nourishing the body with these remedies—the faculties will remain is secured by nourishing the body with these remedies—the faculties will remain in a healthy condition. A weak, feeble and decaying body enfeebles the intellect and clouds the brain.
