Engineer Has a Good Word for Street Railway.

Ready to tive Them Credit When They Really Deserve It.

When you meet your friends, tell them all about it, City Engineer Graydon has at last found cause for a good word in behalf of the street railway company. And he has not done it in the course of a letter to the company, either. Mr. Graydon had nothing in particular

officer was this morning called to fresh to do the othetr evening, and meeting a cases of smallpox in the southeastern friend at the corner of Dundas and portion of the etty. The outbreak is Richmond streets he decided to take a perhaps the most serious snce the dis- trip to Springbank. He did not have to ease first made its appearance here, wait for a car over a few minutes goafter a long absence, but the health authorities are confident that it will not

extend.

There are four cases in all, and with the two other occupants of the house in which they existed the house in which they existed the house chill when he saw a letter from an unin which they existed, they have been taken to the isolation hospital. The house has been closed and disinfected, and every precaution taken to prevent the further spread of the disease. The patients were in the house of a family

plenty of times to see worse shows at the opera house. As for the cars, I can only say that it might be a good idea for the company to put on a line of refrigerator cars for the pleasure of just such men as wrote that letter."

Car conductors, and those is the buildings in the city, by the public, supplied cards, which are to be han sons who are seen to forget by spitting on the sidewalk.

## A CONTENTED COLONY

The Committee's Plans in Regard to New Ontario Proving to Be a Land of Plenty.

Port Arthur, July 10.-New Ontario is still receiving her proportion of settlers. Some very interesing things occur. Last rived in Port Arthur after a journey of Essex were dealt with. The two ridings of Northumberland being left as of introduction from the Governor and CONDENSED LOCAL NEWS were given by Cortese's orchestra, that Tilbury goes from the north to the 160 acres of land in the "all-British con-

tented colony."

C. Philpott and wife, who was one of they were attending the convention on died today after a lingering illness of each, or from 3c to 5c per pound. Shippers paid from 3½c to 3¾c per pound for good large sheep, and the butchers paid from 2¾c to 3½c for the others. Only choice lambs bring over \$3 50 each, or 4½c per pound. Fat hogs sold at from 5¾c to 5½c per pound, weighed off the cars to Port Arthur and locate permanently with some of his friends here, who are in the "all-British contented colony."

William Duxbury and family from Darwin, Lancashire, England, and Geo. Walker and family have recently arrived, John D. Wilson, of this city, went and within a few days were well located. hey are pleased with the progressiveness of New Ontario.
