Hot Water Heater was the first boiler of this type. We placed it on the market after years of study and experience in house heating. It is not only the original idea, but in it that idea has been brought to the greatest perfection. In spite of all kinds of competition and imitation, the Oxford **Hot Water** Heater has continuously held its place in the front rank with an ever-increasing business. It is keeping Canadian homes at a more comfortable temperature than all other makes combined. If your dealer cannot supply you, write to us direct. The Gurney Foundry Co.
