FAT LESS MEAT IF BACK HURTS

Take a Glass of Salts to Flush Kidneys If Bladder Bothers You.

Having meat regularly eventually pro-duces kidney trouble in some form or other, says a well-known authority, be-cause the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and mis-ery in the kidney region; rheumatic twinges, severe headaches, acid stom-ach, constipation, torpid liver, sleepless-ness, bladder and urinary irritation.
The moment your back hurts or kid-neys aren't acting right, or if bladder bothers you, get about four ounces of Sifto Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neu-tralize the acids in the urine so it no longer irritates, thus ending bladder disorders.
Kid salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

Be sure it's SIFTO SALT
