DEATH TOLL LARGE AT INDIAN MISSION

Nearly All Babies Under Two Years Have Passed Away.

Canadian Press Despatch.

Toronto, June 1.—Within the past year nearly all of the Indian children under two years of age in the Christian band on the reserve at Nelson House, in Northern Manitoba, have died, according to word received at the Methodist mission offices here in a letter from Rev. W. E. F. Hutty, missionary in charge of post. Seventy-seven members of the band have perished within the year, and the survivors are disheartened and enfeebled.

Last August an epidemic of measles swept through the reserve, and took a heavy toll of old and young. An outbreak of whooping cough lasted through the Christmas season, and by New Year's Day the dead numbered 51, mainly children and babies.

At the end of January a form of influenza appeared to add its ravages, and in a few days nearly everyone was down. "For awhile," wrote the missionary, "we could not bury our dead. Nearly all the babies born during the last two years are gone, a large number of children, several women and some of our best men."

THOMAS M'CLELLAND BURIED AT BEACHVILLE

Special to The Advertiser.

Ingersoll, June 1.—The funeral of the late Thomas McClelland, of Beachville, was held this afternoon from the residence of his son, F. S. McClelland, to the Beachville cemetery. The services were conducted by the Rev. G. C. Raymer, of the Beachville Methodist church, and many relatives and friends attended.

HER NERVES SO BAD SHE COULD NOT SLEEP

Mrs. Grace Kitchen, St. George, Ont., writes:—"After having a severe attack of pneumonia I was left in a weak and rundown condition. My nerves were so bad I could not sleep nights, and in the daytime I had terrible fainting spells, caused by my heart being weak. Finally I got so bad I had to take to my bed for weeks at a time, but one day I read about

MILBURN'S HEART AND NERVE PILLS

so decided to try them.

"After taking one box I felt a slight improvement. I have now taken five boxes, and have gained 35 pounds in weight. I am now more than able to do all my own housework as well as considerable outside work. I cannot recommend Milburn's H. & N. Pills too highly for those suffering as I did."—Advt.

Modern Pavements Make Feet Tired

The miles and miles of hard surface roadways and side-walks are very wonderful, but, being hard, non-resilient, and excellent conductors of heat and cold, they torture our poor feet unmercifully.

It has been found that if tired, sore feet are bathed in warm water containing a few drops of Absorbine Jr. they will be delightfully cooled and refreshed.

But this is not the only use for Absorbine Jr. It is a liniment, antiseptic, and germicide in one—the handiest, most useful article in the family medicine cabinet.

Not only does it kill germs and prevent infection in open cuts and sores, hastening the healing—not only does it limber up to new freshness, tired, stiff muscles, but as a mouth wash, throat spray or gargle it protects you against wandering disease germs and leaves behind a pleasant, clean taste and odor. $1.25 a bottle at your druggist's.

GERMANS EXTEND HELP TO RIFFIANS

German Government Remains Neutral—Nationalists Give Aid.

By JOHN GUNTHER.

Special Cable to The Advertiser and the Chicago Daily News. Copyright.

Paris, June 1.—Although the German government is observing the most correct neutrality, German Nationalist fanatics are rejoicing at the French difficulties in Morocco, and seeking by all means to support the Riffians.

According to private information received here from the German patriotic organizations, the Frontbann, Steel Helmet, Oberlandbund and Werwolf, all have sent volunteers. Representatives of these organizations met May 16 to consider the situation created by the Moroccan war and the attitude which should be taken by German super patriots.

Lieutenant Killinger made the principal speech, in which he approved the departure of volunteers for Morocco and the collecting of money for the Riffians.

A general debate followed, in which all the patriotic associations declined to encourage their members to volunteer on the ground that the Riffian campaign was premature and without the possibility of success. The associations decided, however, not to discourage the departure of such members as should attempt to reach Morocco. It was stated that 231 young Germans already had left, hoping to reach Ajdir.

The German super patriots believe there is a great Mohammedan conspiracy, with roots leading from India to Morocco, with agents in all countries, preparing a "surprise" for the world in the next few years, and feel that German secret military bands ought to prepare to aid this attempt to "free oppressed peoples."

NAMING OF BLACK ROD USHER CAUSING CONCERN AT OTTAWA

By E. C. BUCHANAN.
Special to The Advertiser by a Staff Correspondent.

Ottawa, June 1.—Competition for the position of gentleman usher of the black rod, vacated by the recent death of Colonel Ernest Chambers, is producing a contest of almost a constitutional character. On one side it is claimed that the appointment lies with the government, and on the other that it reposes in the power of the senate. To further complicate the issue the civil service commission maintains that the position comes under its jurisdiction.

A large number of applicants have been lobbying for the post. Some are Conservatives and some Liberals. One prominent applicant is a major-general now drawing a pension of $6,000 a year. The Conservative majority in the senate is insisting that the nomination should be effective. Harold Dally, an Ottawa lawyer, prominent in Conservative circles, is the choice of most o fthem. The Tory senators are caucusing over the question of the best means of carrying their claim.

A proposal originating in the commons is that Colonel Bowie, sergeant-at-arms, be transferred to the position of black rod. A prominent French-Canadian member from Quebec is said to be anxious to retire from politics and take up permanent residence in Ottawa. His friends, it is reported, are promoting the plan to transfer Colonel Bowie and turn the job of sergeant-at-arms over to this member.

WIND, HAILSTORM HITS SOUTH ESSEX

Garage Blown Down and Roofs Are Ripped Off Buildings.

Special to The Advertiser by a Staff Correspondent.

Windsor, June 1.—With all the preliminary indications of a storm of cyclonic proportion, a sharp gale of wind, accompanied by hail and coming from the southwest swept across South Windsor on the provincial highway this evening, doing considerable damage to buildings, but so far as is known no persons were injured.

The storm belt seemed about two miles in width and it swept across the outlying section of South Windsor at terrific speed. On Dougal avenue a garage with three automobiles inside was wrecked, a small dwelling house in the same vicinity was overturned and a number of trees and telephone poles were levelled.

The roof of the pari-mutuel shed at Devonshire racetrack was lifted, and a number of small buildings demolished. Across Talbot road there was a tangled mass of trees and wires that put a stop to automobile traffic for several hours.

In South Essex, the storm struck about 6 miles outside of Kingsville, uprooting trees and flooding the roads. Early tomato plants, set out only a day or two ago, were literally washed out of the ground, and other garden truck was injured.

Roadways tonight were blocked by fallen trees.
