

RECEIVED THEIR PRIZES.

Substant Proceedings at the Toronto Church School Yesterday.

The boys of the Toronto Church School had a great time yesterday. For weeks they have been looking forward to it, and during the past few days the more enthusiastic have devoted themselves to the decoration of the hall in the basement of the church, and the hall did look well. Red, white and blue streamers were hung from the ceiling, and white and blue bunting in graceful folds at the rear of the platform. The grand old red cross flag was there, too, and joined to it at one side of the platform was the banner of Erin with its harp and its "shamrock so green." And there was a goodly company, too, for the occasion was one long to be remembered by the boys of the school—it was the annual distribution of prizes. Amongst those present on the platform were: Prof. Goldwin Smith, his Lordship Bishop of Exeter (chairman), Archbishop Bodley of Trinity University, Mr. Brock, Mr. Fraser (principal of the school), Mr. L. Gordon, Rev. Dr. Langtry, Rev. Dr. Pearson and some others. In his opening remarks the chairman referred to the school and its history, and spoke in glowing terms of the teaching staff and of the success of the school during its four years' life. The prizes were distributed by Prof. Smith, Dr. Langtry and others, who spoke of the benefits to be derived from the school and of its advantages in some respects over the public schools of today.

THE DISCOVERY OF AMERICA.

The Public School Pupils to Commemorate the Event.

Arrangements are about complete for the commemoration on Oct. 13 by the pupils of the Public schools of the 400th anniversary of the discovery of America by Columbus. Yesterday afternoon Chairman W. The Criminal Assizes yesterday.

Charge of perjury against Eneas Harding came before the grand jury. After hearing the only two witnesses for the prosecution the grand jury were satisfied that no offence had been committed by Mr. Harding and promptly returned no bill.

The charge made against Mr. Harding.

was in consequence of an affidavit as to which he brought against a man named Knust, and which was tried at the assizes here last spring.

Mr. Harding is a most respectable man.

and made the affidavit in good faith, and the facts, as shown at the Police Court, bore out his contention, that there was no fraud and no criminal offence, and not the slightest desire or intention on the part of anyone to do anything but what was right.

The Police Magistrate himself in making.

the commitment stated that he believed there was no corrupt intention on the part of Mr. Harding, but thought it best to let the matter be investigated by the grand jury.

A Beautiful Skin.

Belle Weaver's notes and Lorna Doone's account of the week in society will be found most new and interesting. All to-day's news at to-morrow's breakfast table.

Honored His Memory.

A funeral service in honor of old John M. Tinsley, who died on Wednesday morning in his 110th year, was held in the little Baptist Church at the corner of Queen and Victoria streets this afternoon. The church was thronged with the friends and acquaintances of the deceased, who came to pay their last tribute of respect. The service was conducted by Rev. Dr. Thomas, who in his address referred to feeling terms the deceased as a man who for over 70 years led a Christian life.

Severe colds are easily cured by the use.

of Rick's Anti-Congestion Syrup, a medicine of extraordinary penetrating and healing properties. It is acknowledged by those who have used it as being the best medicine sold for coughs, colds, inflammation of the throat and chest, its agreeableness to the taste makes it a favorite with ladies and children.

Their Offices Were Too Cramped.

It is a good sign of prosperity when the expansion of business necessitates removal to more extensive quarters. This is the position Alexander & Ferguson, estate and investment agents, found themselves, and to secure relief they have removed to the offices in Temple Chambers, Toronto, recently vacated by the Canada Land and National Investment Company. The new quarters are in every way fitted for the requirements of a growing business.

A Family Friend.

Sir, I have used Dr. Fowler's Extrem of Wild Strawberry in my family for years and can highly recommend it for summer complaints, diarrhoea, cramps, etc. Mrs. Geo. West, Huntsville, Ont. 1892.

"German Syrup"

A Cough For children a medicine should be absolutely reliable. It must be pin her faith to it as to her Bible. It must contain nothing violent, uncertain, or dangerous. It must be standard in material and manufacture. It must be plain and simple to administer; easy and pleasant to take. The child must like it. It must be prompt in action, giving immediate relief, as children's troubles come quick, grow fast, and end fatally or otherwise in a very short time. It must not only relieve quickly, but bring them around quick, as children chafe and fret and spoil their constitutions under long confinement. It must do its work in moderate doses. A large quantity of medicine in a child is not desirable. These things suit old as well as young folks, and make Bosche's German Syrup the favorite family medicine.
