

and refuse to investigate further, saying, "What was good enough for our fathers, is good enough for us;" but God has his called ones still, his Calebs and Joshuas, who are a standing rebuke to their brethren, who say, "We will not settle down on any man's inheritance, we will go up and possess all things God has for us."

Look at our own people, the Methodist denomination, commencing in the Spirit, through a portion of light given to John Wesley, but seeking to be made perfect by the works of the flesh, and tying themselves up to John Wesley's interpretation of the truth, as he saw it one hundred years ago.

God does not want us to pin our faith to any man's belief, but accept the provision he has made, the anointing that teaches us of all things; for every man's privilege in this dispensation is to know for himself his will concerning us.

God has called the Canada Holiness Association into existence to show the Methodist Church her position and privilege, and what is she doing with the light?

-Condemning the leaders of this movement, covering them with reproaches, shouting "danger ahead," saying *we*, the authorities of the church, cannot distinguish between the operations of the Spirit and our own thoughts, and because they cannot, or will not, they refuse to hear those who can, and so are not walking in the full light of the Holy Ghost age, in which we now live.

We thank God, the sound of truth has gone into all parts of the Methodist Church (and in many others) and the seed of truth is planted by God himself, and can not be rooted out, and while they are using the *Christian Guardian* to spread condemnation on this movement, God is using it to spread the truth still

The greatest opposition has gathered around the statement, that we can do without the Bible, and some in accepting the truth contained in that statement, literally laid aside their Bibles, and soon exhausted their storehouse of knowledge. We ourself understand Mr. Burns' teaching to be, accept the Holy Ghost as your guide and teacher above every other law, yes, even above the Bible, for God will not let anything, not even his own word given to men in the past, stand between you and his voice to you as an individual in this present time, "for some did indeed worship the Bible, as the word of God, above God himself, and it was necessary for them to know that truth, for they were tying themselves to some men's interpretation of it, instead of having the revelation of the Spirit for
