

# Ontario Ladies' College.

WHITBY, ONTARIO.

In this practical age a College is judged by its advanced educational facilities, calculated to fit a young lady when necessary to support herself; also by the type of refined, Christian womanhood likely to be developed. Parents and guardians are respectfully asked to make inquiries respecting the standing of the O.L.C. in these respects. Do not forget the magnificent pipe organ recently placed in the new concert hall. Apply for calendar to

Rev. J. J. HARE, Ph.D., Principal.

We can cut your 1897 fence account just in half. We claim we have the most practical fence on earth. Four miles of it in use at the Experimental Farm, Guelph. Send for prices.
