The J. G. C. Riding Plow.

There have been sold in the Province of Ontario more of the J. G. C. Riding Plows than all other patterns of Riding and Sulky Plows together. It is the most practical, Lightest Draft and Easiest Handled Riding Plow manufactured. It is so evenly balanced on the wheels when in work that no plow can cut or be held to cut an even furrow bottom, making it impossible for the point of the share to dip beyond the sett of the ratchet. The best plowmen and most practical farmers of the Dominion, state that it will do more work in proportion to the skill and power expended than any plow they have ever used.
