

CATARRH : A NEW TREATMENT.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Out of 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioner are benefited, while the patent medicines and other advertised cures never record a cure at all. Starting from the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished, the Catarrh is practically cured and the permanency is unquestioned, as cures effected by him four years ago are cures still. You may have attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple and can be done at home, and the present season of the year is the most favourable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. DIXON & SON, 305 King Street, west, Toronto, Canada, and enclose stamp for their treatise on Catarrh.—*Montreal Star.*

Can't Keep House.

BOWMANVILLE, ONT., Dec. 5, 1882.
Messrs. SETH W. FOWLE & SONS, Boston.

Dear Sirs:—We suppose it is no new thing for you to receive congratulations on the success of your valuable cough remedy, **DR. WISTAR'S BALSAM OF WILD CHERRY**; but perhaps at this time a word or two from us will not prove out of place. Although the Balsam has not been advertised to any extent in this locality, our sale of it is very large and the demand is increasing, which is due to the universal satisfaction which it gives to our customers. We have never had a single complaint, and husbands tell us their wives will not keep house without it. We would like you to do a little more advertising in this county for we believe were your Balsam better known, its sale would be increased ten-fold.

Yours truly,
STOTT & JURY,
"The Druggists."
