Scientific and Useful.

BREAKFAST PUFFS.—Two eggs beaten very light, two cups milk, two cups flour, butter size of walnut. Bake in hot pans.

GOOD COOKIES.—Two eggs, two cups of sugar, one cup of butter, one cup of milk, one nutmeg, one teaspoon cream tartar, one half teaspoon soda. Flour to roll.

RICE CROQUETTES.—To one quart boiled rice add the yolks of three eggs and a little salt, make up into rolls, roll in flour or cracker crumbs, and fry like doughnuts.

We believe the cause of the wonderful success of our Murray & Lanman's Florida Water may be found in the fact that the principal aim in its preparation has always been to give the simple natural perfume of flowers, without any chemical addition whatever, and to avoid by all means, the great error of making a heavy, sickly, sweet perfume.

SUGAR COOKIES WITHOUT EGGS.—One and one-half cups sugar, one cup butter, two thirds cup cream, one half teaspoonful soda, flour enough to make a soft dough.

DEMOCRAT CAKE.—One pound sugar, one half pound butter, one pound flour, one half pint sweet milk, five eggs, one teaspoonful cream tartar, one half teaspoonful soda.

JAMES PYLE'S PEARLINE is highly endorsed by housekeepers and others who have tried it. No soap is required, and cleaning is done with a saving of much time and labour. All housekeepers should use it.

CORN STARCH CAKE.—Two cupsful of sugar, one cupful of butter, one cupful of sour milk; one and a half cupsful of flour, one and a half cupsful of corn starch, whites of five eggs well beaten, a little soda. Add essence of lemon flavour.

MR. ISAAC BROWN, of Bothwell, says that one bottle of Burdock Blood Bitters did him more good for a bad case of Salt Rheum than \$500 worth of other medicine.

CORN STARCH CAKE.—Three cups of sugar, one of butter, one of milk, three of flour, one of corn starch, whites of twelve eggs beaten stiff, two teaspoonfuls of baking powder. Beat sugar and cream, dissolve the starch in the milk, add then the flour and whites. The powder should be sifted with the flour. Bake in a moderate oven.

FROSTED ORANGES.—Pare oranges, remove every particle of the inner skin; divide them into lobes, taking care not to break the skin; beat the whites of two eggs or more to a stiff froth, add a table-spoon of water to the stiffened whites, dip the orange lobes in this and roll part of them in pulverized sugar and part in pink sugar sand and lay them on paper to dry. When dry, heap them in a glass dish, the red and white together, and mix in a few green leaves. This is a pretty dish.

DR. HARRIS, of Middlebury, Vt., says: "I have been troubled with Bronchitis for two years, affecting the organs of speech that I could not speak aloud for six weeks. I had with it a severe cough and night sweats. I took two bottles of Allen's Lung Balsam and am entirely cured."

VEAL STEW.—Cut four pounds of veal into strips three inches long and one inch thick, peel twelve large potatoes and cut into slices one inch thick, spread layer of veal on bottom of pot, sprinkle in a little salt and pepper, then layer of potatoes, then layer of veal seasoned as before. Use up veal thus: Over layer of veal put layer of slices of salt pork, and over the whole a layer of potatoes. Pour on water till it rises an inch over the whole. Cover close, heat fifteen minutes and simmer an hour.

FRUIT LAYER CAKE. This is a delicious novelty in cake making. Take one cup of sugar, half a cup of butter, one and a half of flour, half a cup of wine, one cup of raisins, two eggs, and half a teaspoonful of soda; put these ingredients together with care, just as if it were a very rich cake; bake it in three layers and put frosting between—the frosting to be made of the whites of two eggs with enough powdered sugar to make it thick. The top of the cake may be frosted if you choose.

THERE are few influences more detrimental to health than a Constipated State of the Bowels. Burdock Blood Bitters speedily cure Constipation.

Scott's Emulsion of Pure 38 COD LIVER OIL, WITH HYPOPHOSPHITES Very Palatable and Strengthening.

Dr. A. H. DENANLINS, Oswego, N.Y., says: "I have prescribed Scott's Emulsion for many years, and, have given it a thorough comparative test. I cannot speak in too high terms of its palatability, as well as its efficacy in all the wasting disorders in which it is indicated."

BRIGHT'S DISEASE OF THE KIDNEYS.

The above symptoms are not developed in any order, but appear, disappear and reappear until the disease gradually gets a firm grasp on the constitution, the kidney-poisoned blood breaks down the nervous system, and finally pneumonia, diarrhoea, bloodlessness, heart disease, apoplexy, paralysis, or convulsions ensue and then death is inevitable. This fearful disease is not a rare one—it is an every-day disorder, and claims more victims than any other complaint. It must be treated in time or it will gain the mastery. Don't neglect it. WARNER'S BARK CURE has cured thousands of cases of the worst type, and it will cure you if you will use it promptly and as directed. It is the specific for the universal
