THIS statement is substantially a Fact, based upon evidence in possession of the Agent; in the shape of numerous testimonials from past sufferers in all the walks of life, and particularly from some of the most respectable and trust worthy families in the Dominion.

**DIAMOND RHEUMATIC CURE.**

In its history this invaluable Medicine occupies the most honorable position possible for any remedy to attain. A few years since it was known only to the friends and neighbors and patients of the proprietor and always sought for them whenever troubled with rheumatism, and in this way came to the notice of physicians generally and through their favorable expression and its acknowledged value as a Rheumatic Remedy, the demand for it became so frequent and urgent as to oblige its proprietor to increase its facilities for its manufacture. Its reputation rapidly extended, and soon orders, letters of enquiry, letters of thanks and certificates of praise were daily received from all sections of the United States and Canada, and in this way, on a basis of its merit alone—unaided by "tricks of the trade" or special efforts—it has risen to its present enviable position. Wherever introduced it has received the most flattering preference in the treatment of all rheumatic complaints. In this we are really grateful and happy, not alone because our medicine finds ready sale, and is consequently profitable to us do we say this but because we open a new field in medical science and cure at once what the best medical practitioners have for ages found so difficult even to relieve. We fill a place heretofore unoccupied. We relieve the suffering and minister to God's poor: we restore the laboring man to the use of his injured limbs, and save him scores of times its cost in doctor's bills; we carry contentment and gladness into the home of the afflicted, and consequently are remembered by millions of grateful souls.

Thousands have been changed by the use of this remedy, from weak, sickly creatures to strong, healthy, happy men and women; and sufferers cannot reasonably hesitate to give it a trial.

This medicine is for sale at all Druggists throughout the Dominion. If it happens that your Druggist has not got it in stock, ask him to send for it to
