

## AMERICAN DERMATOLOGICAL ASSOCIATION.

Transactions of the American Dermatological Association at its Thirty-Second Annual Meeting held in Annapolis, Maryland, September 24 and 25 and Baltimore, Maryland, September 26, 1908. Official Report of the Proceedings by Grover W. Wende, M.D., Secretary.

The contents of the volume are rich in material. Among those who contribute papers we have pleasure in mentioning Dr. A. R. Robinson, James Nevins Hyde, E. Wood Ruggles, W. Allen Pusey, Frank Schamberg, John A. Fordyce, Francis J. Shepherd, etc. The articles are all good. The illustrations are excellent and greatly enhance the value of the volume. We can speak in high praise of this year's work.

---

## UROLOGICAL ASSOCIATION.

Transactions of the American Urological Association, Sixth Annual Meeting, Atlantic City, N.J., June 3rd and 4th, 1907. Edited by Charles Green Cumston, M.D. Printed for the Association at the Riverdale Press, Brookline, Mass., 1908.

These two volumes contain a number of articles of a very meritorious character by practitioners of large experience in urological work. Among the subjects we find bullet wounds of the urethra, dilatation of the urethra, the prostate and infection, the prostate and gonorrhœa, latest cystoscope, urinary infections with staphylococcus, movable kidney as a cause of bile duct disease, renal calculus, renal tumour, symptomless hæmaturia, etc., etc. The articles are all good and there are some attractive illustrations.

## PHYSICIANS' VISITING LIST, 1910.

This is the 59th year of issue of this well-known visiting list, so familiar under the name of Lindsay and Blakiston's. It is issued by P. Blakiston's Son & Company, 1072 Walnut Street, Philadelphia. This pocket visiting list is got up in a very neat and useful form. It contains many tables of much value. The binding is limp leather with pocket and flap. We can commend this Visiting List.

---

A number of books have been received too late for this issue, but notices of them will appear in the next issue.
