OUR VISITOR.

MR. Gawin Kirkham's visit among us will we trust prove of much profit to our Young Men. He rendered us good service at our Exhibition Meetings, and also at our Gospel Services in the Hall. On Monday evening at the close of the Bible Class, he (accompanied by several of our Young Men) held an open air service on the corner of Yonge and Adelaide street. The Electric light for a time rendered good service, but the proprietor of one

of the stores did not relish the gospel so close to him and indicated his dislike by shutting off his electric lamp. But after all the task was a needless one, as having no key at his disposal he was unable to turn off the moon's rays, so Bro. Kirkham was not at all hindered. On Tuesday there was a special gathering of our workers at which our visitor spoke of the elements of successful street preaching. There was a good attendance, and the questions asked by those present, proved that interest had been awakened.
