TEXT BOOKS

and books of all kinds, singly or in quantities, on receipt of price.

Teachers will do well to follow carefully the books reviewed and advertised from time to time in our columns. Our reviews are generally written by competent authorities on the subjects discussed, and will be found reliable and helpful.

We are sorry that there has been some unavoidable delay in the full organization of our Teachers' Bureau, but we expect to be in a position to make full announcements very soon, after which we shall hope to be able to render valuable service to Teachers, as well as to Boards of School Trustees, School and College Principals, and to the profession generally, by affording a reliable medium of communication between teachers seeking situations, and schools and colleges desiring good teachers.
