IMPORTANT REDUCTION

Prices of Gas

The Directors of the CONSUMERS' GAS COMPANY have pleasure in announcing to gas consumers and the public generally that on ascertaining the result of the half year's business, just closed, they have decided

To Reduce the Net Prices of Gas

for prompt payment from 1st April inst., as above:

Per 1,000 cubic feet.

To consumers of 200,000 cubic feet and under per annum, from \$1 12½ to \$1 05
To consumers of over 200,000, and up to 500,000 cubic feet per annum, from 1 05 to 1 00
To consumers of over 500,000 cubic feet per annum, from 1 00 to 0 90
For gas stoves, grates and engines, supplied by separate meters, from 1 00 to 0 90

The extra discount to consumers of over 200,000 cubic feet per annum will as usual be allowed at the end of each year, on 30th September.

The directors are satisfied that the above low prices will make gas CHEAPER THAN ANY OTHER ILLUMINATING OR COOKING AGENT, and thus place it WITHIN REACH OF ALL CLASSES OF THE COMMUNITY.

According to recently published statistics of American gas companies, THE ABOVE PRICES ARE, with the exception of two or three places in the Bituminous coal district, LOWER THAN THOSE CHARGED BY ANY OTHER GAS COMPANY IN AMERICA.

THE ILLUMINATING POWER OF THE GAS SUPPLIED from a five-foot burner now AVERAGES OVER TWENTY-ONE CANDLES, as compared with 17½ candles when the last reduction in price was made.

W. H. PEARSON,
General Manager and Secretary.

Holiday Selections for Readings and Recitations

By Sara Sigourney Rice.

The selections in this volume are adapted to all the different holidays of the year and are classified accordingly. Fully half of the pieces are for Christmas, but ample provision is also made for New Year, St. Valentine's Day, Washington's Birthday, Easter, Arbor Day, Decoration Day, Fourth of July, and Thanksgiving. The selections in all cases are strictly appropriate to the occasions for which they are designed.

Paper binding, 30 cts.; cloth, 50 cts.

Primary Recitations

WITH
EXPLANATORY NOTES
AND

Lessons in Primary Elocution

A collection of appropriate recitations for young children not further advanced than the First Reader, and lessons in elocution suited to their capacity.

The selections have been made with great care from the best of similar works, and there is nothing in child-literature published that is better calculated to assist in accomplishing the end sought, viz.: the cultivation of a more perfect elocution and the foundation of a literary taste among the little ones. The lessons in elocution are particularly well adapted for children of the primary classes, and include exercises in breathing, voice development, and distinct articulation. They are suitable for home practice as well as school, and every child should be thoroughly and systematically trained in them.

Sir Morell Mackenzie in "The Hygiene of the Speaking Voice" says: "As to commencing the education of speaking (which, of course, includes the reading) voice, it can hardly be begun too soon." This book aims to aid the teacher in making this beginning.
