—"The best time to stop a strike is a long time before you begin it; which is true, if it is Irish," Thus spoke Terence V. Powderly, former President of the Knights of Labor, at the annual banquet of the Shoe and Leather Association of Chicago, in a speech recently. "The labor leader who has the interest of his men at heart will fight the strike to the last ditch," continued Mr. Powderly, "for of all the costly, cumbrous, wasteful, cruel methods of settling a difficulty in labor matters, the strike and lockout are the worst. Let the labor union incorporate. The Union has nothing to fear from incorporation; there is nothing the law can reach under incorporation that it can't reach now."
