There's Money

For grocers and general dealers in a well-selected assortment of Tobaccos. But unless the article has a reputation for meeting all the requirements of the exacting smoker, you had better not keep it at all. Our

CUT Old Chum AND PLUG

for instance, has stood the test for many years. If you keep it you keep something that reflects credit on your judgment, helps other departments of your business, and leaves you a good margin of profit. Its the same with our famous FANCY MIXTURES—or indeed anything in Tobacco bearing our name, which has come to be regarded as a guarantee of excellence. We have found that merit tells. So will you.

THE Regina Leader tells us that, as a consequence of an agency of the Souris Coal Company being established at that place, the coal will be sold there this week at five dollars per ton, delivered at the buyer's house.

A REPORT issued by the Collector of Customs at Calcutta shows that the trade of that port with Germany during the past five years has increased three fold. The trade with England, on the other hand, decreased from 65 per cent. of the whole trade to 57 per cent.

At Sweetsburg, Que., Mr. Peter Archambault has got tired of baking bread and sold out his business, intending to resume his old business, that of butcher. Mr. Parent, village barber at that place, has moved to Brome Corner, and intends to combine the sale of meat with the tonsorial profession.

We learn from the Winnipeg Free Press that the town of St. Boniface is inviting tenders for the sounding and measuring of the Red River between St. Boniface and Winnipeg, and also for preparing a plan of a bridge across the river at the most suitable spot about that locality. Tenders to be sent in this week to the secretary-treasurer of the town.

A TELEGRAPH line from Halifax to Sydney, C.B., is announced by the Canadian Pacific Telegraph Co., which promised to open on Monday, the 13th inst., the following offices for business: Port Hastings, Orangedale, North Sydney and Sydney. This will give these offices a direct wire to Montreal. The construction is being continued east as far as Glace Bay, and offices at Bridgeport and Glace Bay, C.B., will also be open for business shortly.
