**Mercantile Summary.**

We have received a report, made by a committee of the Halifax Importers Association on bills of lading, upon which we shall comment next week.

ALDERIC BARBEAU, general merchant of Van-dreuil, has assigned and called a meeting of his creditors for the 26th inst. Liabilities estimated at about \$20,000.

A DISASTROUS fire took place on 1st inst., at Bridgeport, N. S., on the premises of the International Coal Co's works by which some \$40,000 worth of property was destroyed. Among the property burned was two locomotives. No insurance.

A REDUCED freight and passenger tariff has been put in operation on the Windsor and Annapolis Railway. It is stated that this company are about negotiating for the purchase and working of the Western Counties Railway running to Yarmouth.

MESSRS. W. J. STEWART & Co. Montreal agents for silk and linen thread manufacturers, has made an assignment with liabilities of probably \$10 to \$15,000 and but light assets. Mr. Stewart will by this time be well acquainted with the intricacies of the Insolvent court, having been an applicant three times in less than thrice as many years.

AMONG business changes in Montreal we notice the dissolution of the firm of Drummond, Cassels & Co., financial agents, and the admission of Mr. J. R. Wilson as partner with the firm of Walter Wilson & Co., manufacturers' agents. Mr. John Converse, formerly of the Montreal Cordage and Plaster Works, has opened an office for the transaction of stock brokerage.
