

## In An Artist's Studio "Fresco- Tone"

is often the chosen finish for walls owing to its velvety softness and exquisite coloring, and because it suggests the old idea of real "FRESCO" with the richness of harmonious "TONE."

"When artists agree, who can disagree"—

and so the vogue for flat finish for interior work started and the demand is growing greater and wider every day.

*Be prepared to meet it* with a full range of

## "FRESCO-TONE"

We are manufacturing a splendid assortment—including five entirely new shades for 1915, and will be pleased to send you by return, color folders and complete information in regard to this new and popular wall finish,
