

Team Canada Inc Secretariat

Team Canada Inc • Équipe Canada inc

Team Canada Inc – a partnership among federal departments, the provinces and the private sector – was created to achieve a greater degree of cohesiveness and effectiveness in the delivery of International Business Development programs and services to the Canadian business community.

Its secretariat, located in the Lester B. Pearson Building, is a key point of access for Canadian firms requiring trade and investment information. The secretariat's work complements that of the Canada Business Service Centres and International Trade Centres located all across Canada.

Canadian Foreign Service Institute

Canadian Foreign Service Institute
Institut canadien du service extérieur

A symbol of excellence in the Foreign Service, the Canadian Foreign Service Institute was established in 1992 and has functional authority for departmental learning. Since 1996, the Institute shares this expertise, where appropriate, on a cost-recovery basis with other organizations within the public and private sectors. The Institute possesses expertise in the areas of professional development, language training (in over 42 languages) and intercultural learning. Its professional staff provide clients with such general services as needs analysis, course design, evaluation design, project monitoring, process facilitation and team building.
