

For the information of honourable Members, I now quote citation No. 202 from Beauchesne's fourth edition:

Since the purpose of a subamendment is to alter the amendment, it should not enlarge upon the scope of the amendment but it should deal with matters that are not covered by the amendment; if it is intended to bring up matters foreign to the amendment, the member should wait until the amendment is disposed of and move a new amendment.

The honourable Member for Lapointe has a point when he says that these two matters are related to social security measures, but I do not feel the relationship is complete and specific enough.

Under the circumstances, I must say that the subamendment moved by the honourable Member for Portneuf goes further than the amendment itself and cannot be accepted by the Chair.

Debate was resumed on the motion of Mr. Goyer, seconded by Mr. Stanbury,—That the following Address be presented to His Excellency the Governor General of Canada:

To His Excellency General the Right Honourable Georges-P. Vanier, Companion of the Distinguished Service Order, upon whom has been conferred the Military Cross and the Canadian Forces' Decoration, Governor General and Commander-in-Chief of Canada.

MAY IT PLEASE YOUR EXCELLENCY:

We, Her Majesty's most loyal and dutiful subjects, the House of Commons of Canada, in Parliament assembled, beg leave to offer our humble thanks to Your Excellency for the gracious Speech which Your Excellency has addressed to both Houses of Parliament;

And on the proposed motion of Mr. Diefenbaker, seconded by Mr. Monteith, in amendment thereto,—That the following words be added to the Address:

“We respectfully regret that Your Excellency's advisers have omitted to provide for an immediate increase from \$75.00 per month to \$100.00 per month for all recipients under the Old Age Security Act.”;

And debate continuing; the said debate was interrupted.
