Mr. Bell: Mr. Speaker, I should like to ask what the business is for tomorrow.

Mr. MacEachen: The business for tomorrow was announced last Thursday, namely, continuation of the

energy supplies emergency bill, to be followed by the Canada Pension Plan bill.

Mr. Bell: Mr. Speaker, the business might have been announced, but this government is changing things so fast that it does not even know what it is doing. Therefore, we have to keep an eye on things around here.

On motion of Mr. MacEachen the House adjourned at 11.49 p.m.
