Major F.J. Noy,
Chateau Frontenac,
Quebec City.

Dear Major Noy:-

I am arranging for your room at the United Services Club as you requested on Monday, November 2nd. I expect to be in Ottawa on that day myself, but I have told Major MacDonnell that you are to be here. We are having a meeting of the Committee on the 4th of November, by which time I think the programme will be more or less completely laid out.

Yours faithfully,

Wilfrid Bovey.
