PRESIDENT'S OFFICE

December 8th, 1923.

Dear Sir Arthur Currie,

Your letter of the 3rd has  
been received.

Two years ago we made arrangements  
for the O.T.C. work and it has turned out exceedingly well.  
We are now recruited up to strength and the students in the last  
two years have written on the examinations set by the War Office.

A copy of the University Calendar  
is being mailed to you. On page 64 you will find the description  
of the course and on pages 36, 75 and 76 you will find references  
to the places where it is accepted as an elective for a degree.

Professor Potts is in charge here and  
either he or Colonel Parsons, Chief Staff Officer in Regina, would  
give you detailed information. Parsons has been exceedingly  
good in assisting us.

Sir Arthur Currie,  
McGill University,  
Montreal, Que.

Sincerely yours,

*Walter Murray*

President.
