304 An ACCOUNT of the EUROPEAN

ing up many abufes in one age, and the attempts to remove them in another. There' infant fettlements furely demanded a more fimple, clear, and determinate legiflation. though it were of fomewhat an homelier kind; laws fuited to the time, to their country, and the nature of their new way of life. Many things still subsist in the law of England, which are built upon caufes and reafons that have long ago ceafed; many things are in those laws fuitable to England only. But the whole weight of this ill-agreeing mass, which neither we nor our fathers were well able to bear, is laid upon the fhoulders of these colonies, by which a spirit of contention is raifed, and arms offenfive and defenfive are supplied, to keep up and exercise this spirit, by the intricacy and unfuitableness of the laws to their object. And thus, in many of our fettlements, the lawyers have gathered to themfelves the greatest part of the wealth of the country; men of less use in such establishments than in more fettled countries, where the number of people naturally fets many apart from the occupations of hufbandry, arts, or commerce. Certainly our American brethren might well have carried with them the privileges which make the glory and happiness of Englishmen, without taking them encumbered with all that load of matter, perhaps fo useless at home, without doubt fo extremely prejudicial in the colonics. Laws
