### Hockey Gossip

Friday night's double-header at the Arena should draw a good crowd, and the Bank League has lost some of its former popularity.

The Bank of Commerce have laid off the Junior O.H.A. champions and Davidson, a brother of the Toronto professional, on their defence, and may upset the dose in their game against Dominion.

Bank of Toronto are called to win the second game, but the Royal Bank team have not yet shown their real strength, and will trot out some classy O. H. A. players.

Just two more weeks and we will come into our own. On Feb. 1 the pros. will switch over to the seven-man game, and the local fans are anxiously waiting to see the result.

Quebec were very much delighted to get a practice on hard ice yesterday morning, as they are a little dubious of beating the blue shirts with fast going on Wednesday night. Joe Hall will be back in the game and should make the Toronto hustle, even if it is their home team. Toronto are certainly not a road team, but luckily they have not games at home yet and an off-day before they travel to Montreal to play Wanderers on Feb. 1. Here's hoping they climb up the ladder a little in the next few days.

The Tecumsehs leave for Ottawa tonight, and they will not play here again until Feb. 1, when they meet Quebec. On the trip east they will tackle Wanderers and Canadiens also. Naturally we are sorry to see Billy go, as he keeps us in good spirits with his optimistic ideas.

Bruce Ridpath is contemplating following in Jack Marshall's footsteps and getting into the game. Poor Riddy! Forget the idea. Better order a coffin first.

## CLEAN UP AT DELORIMIER BACKING MARGOT LEONARD

Monarchical Lady Defeats  
Crescote — Grattan Royal  
Lands the Pace, Stepping  
One Exceptionally Fast  
Heat.

MONTREAL, Jan. 20.—(Staff Correspondence).—There was a very large attendance at Delorimier Park today. The association had to declare off their card for one day last week and are now trying to finish them all by Wednesday night of this week. The excitement over the unfinished trot was intense. The Toronto contingent and many others who saw Margot Leonard, Mr. J. T. Hutton's mare, win many races, were down on her book line and sinker. She won the first heat Saturday, when Jonah Man, who was all but distant the first heat, came from behind and won the second and third and it looked as if the race was all over.

In the fourth heat Starter Upton had the good way to a good break with Margot in the lead at the quarter. At the half Jonah took the pole and at the 3/4 mile she challenged and took the pole again. As they entered the stretch, Margot made a great drive with Margot and won going away. The fifth heat looked as if the race was over. Margot had them all at the quarter pole, but she threw a shoe and Hatty Green, an outsider at 40 to 1, won the heat. Margot Leonard had the race won according to National Association rules. She won the first two heats, the race over till today, when Margot, who had the first two heats, took the pole and made every post a winning one, stepping the mile over very bad footing in 2:28. The race was a real one, as Jonah Man had her driver wished to do so. There were four other races carded and all finished.

The 2:30 pace, stake \$1000, was won easily by Gray's Grattan Royal, driven by Nat. Red, in 2:28. This was very fast, considering the track condition.

The 2:25 race was won in straight heats.
