WINTER WHEAT DAMAGE FEARED
Crops West of Mississippi in Danger From Cold Wave.

CHICAGO, Feb. 5.—Uneasiness over scattering reports of cold wave damage in Kansas had a bullish effect today on wheat. In the end, however, the market was easy with a shade of a gain to 1/8c net. In both corn and oats the outcome was an advance of 1/4c to 3/8c compared with last night. Provisions finished unchanged to 1/4c up.

Wheat speculators gave earnest attention to the fact that in the face of the coldest weather of the winter the autumn sown fields west of the Mississippi are bare of snow protection, and have an unusual amount of surface moisture. The chance of serious injury from a freeze could not altogether be banished from mind, despite assurances by experts that the plant possessed root development far more vigorous than the average at this time of the year.

Disappointment of hopes that export sales of wheat would continue today was chiefly handicapped by the fact that it turned out, however, that yesterday's business with foreigners had been much larger than was generally supposed.

Corn Bears Stamped.
In corn, the shorts took to cover as a result of wheat strength and owing to the alleged scantiness of rural offerings. An estimate on farm reserve was constructed by some traders as bearing the figures indicating that fully half the deficiency in the crop had been made up by reduced consumption.

Oats hardened with other grain and because farm reserve figures were regarded as bullish.

Provisions had an upward slant in consequence of advancing prices for hogs. On the bulge, there was considerable profit-taking by long holders.

LIVE STOCK MARKET WAS VERY QUIET

Cattle Prices Unchanged—Sheep, Lambs, Calves, Steady—Hogs Lower.

MONTEREAL, Feb. 5.—(Special.)—The annual statement of the Canada Cattle Co. is a favorable one. It will be mailed to shareholders tomorrow, showing net increase to be about \$140,000. The bond interest of the company was increased some time ago by about \$17,000 and this will make the net increase \$125,000. The surplus as shown in the statement for 1913 was about \$248,000, and the surplus this year will therefore be in the neighborhood of \$400,000.

Receipts of live stock at the Union Yards yesterday were 34 car loads, comprising 201 cattle, 1498 hogs, 93 sheep and lambs and 29 calves. The cattle trade remained steady, prices light run. There were some cattle on sale that were here a week ago. There were lots of cattle sold this week at 50c to 75c per cwt. less than was paid for them in the country, and then sold for all their worth, even at this season's high prices.

Sheep, lambs and calves, of which there were scarcely enough to make a market, sold at firm but unchanged quotations. Hogs were lower on account of liberal receipts from 3 provinces and the northwest.

Choice steers as high as \$8.40; good steers and heifers sold at \$7.50 to \$8; medium, \$7 to \$7.25; common, \$6 to \$6.50. Choice cows, \$6.50 to \$7; good cows, \$6 to \$6.25; medium, \$5.50 to \$6; common cows, \$4.50 to \$5; choice bulls, \$6.75 to \$7; good bulls, \$6 to \$6.25; common bulls, \$5.50 to \$6.75.

Stockers and Feeders—Stockers and feeders were scarce, few coming forward. Prices were unchanged. Choice heavy steers, \$7 to \$7.25; good steers, \$6.50 to \$6.75; stockers, \$5.50 to \$6.75.

Milkers and Springers—Milkers and springers were in demand. Those of good quality, prices ranged from \$60 to \$95 each, the bulk selling from \$65 to \$80 each.

Veal Calves—Receipts of calves were again light and prices ruled firm. Choice veal calves, \$10 to \$11; good, \$9 to \$10; medium, \$7.50 to \$8.50; common calves, \$6.50 to \$7.

Ayrshire Breeders Complain Government Herds Are of Poor Quality.

TO SEND DOZEN COWS Panama Exhibition Visitors Will See Canadian Ayrshires at Their Best.

It is the intention of the Canadian Ayrshire Breeders' Association to send twelve Ayrshire cows of good type, having an official record of milk and fat to represent the breed at the Panama Exposition. Such was decided upon at the annual meeting of the association, held at the Prince George Hotel yesterday, and \$1000 was appropriated for this purpose. In this they are co-operating with the Ayrshire Association of the United States, which has appropriated the sum of \$2000. The Dominion Government is to be requested to assist the Canadian breeders in the undertaking.

The charge was made that, with the exception of Macdonald College, St. Anne de Bellevue, and the experimental station at Clairholm, Alta., the quality of Ayrshires kept at the educational institutions of Canada was far below what it should be. Those kept at the University of Saskatchewan, which has appropriated the sum of \$2000. The Dominion Government is to be requested to assist the Canadian breeders in the undertaking.

The following were elected as the board of directors: R. N. Ness, Senator Owens, James Bryson, Hector Gordon, P. D. McArthur, George C. P. McIntyre, M. St. Marie, W. W. Ballantyne, John McKee, William Stewart, Jr., A. Hume, A. S. Turner, A. H. Trimble and Frank Harris.

One of the richest soda deposits in the world is Lake Magadi, in British East Africa. Its area is over two miles, and the soda contained in it is estimated at 200,000,000 tons. Almost as soon as the soda is removed another supply naturally forms.

LONDON, Ont., Feb. 5.—If plans formulated by Industrial Commissioner Gordon Phillip come to a successful issue, London will be the home of an annual spring fat stock show and the annual convention of the Ontario Corn Growers' Association. BAD CHEQUES PASSED ON WINDSOR BANK

Offence Repeated Several Times—Were Given in Payment of Life Insurance Policies.

WINDSOR, Feb. 5.—The Dominion Bank has been bothered several times recently with bad cheques signed by Albert P. Drysdale, of Detroit. They have been made out in favor of life insurance companies doing business in Detroit.

Investigation disclosed that they had been given in payment for life insurance policies in advance, before the policies were issued, but that their object was not really to pay for the insurance but to serve as bait to induce the agents to cash smaller checks for "personal" use.

VAGRANT GIVEN UNIQUE FUNERAL BY HIS FRIENDS

Companions Spent Money in Flowers and Choir of Fifty Sang Hymns.

CINCINNATI, O., Feb. 5.—The corpse of the vagrant who was shot and killed here last Saturday, was given one of the most unique funerals ever known in this city. A number of vagrants who had been his companions at a charitable institute, contributed seventy-five cents to buy flowers for him. Fifty of them organized a choir and sang hymns at the funeral service. An undertaker donated a hearse and coffin, and more than a hundred of the vagrants trudged behind it to the cemetery bearing banners asking that they be given work.
