SUNDAY PICTURES TO HELP.

The Sportsmen's Patriotic Association has gathered together a lot of money, and they are not waiting to spend it. Any and every request from the soldiers at the front or in the training camps has been met, from a billiard table and a brass stand to dominoes. The public has been generous, and the soldier boys appreciate it. Every copper contributed finds its way direct to the soldiers, covering every form of amusement. ing every form of amusement.

Thirty-five thousand soldiers have been taken care of by the association in this way. There remain twice that many more to be supplied now and in the fu-

On Sunday 'next a continuous moving picture show will be given at Shea's Hippodrome to raise funds for these purposes. It will start at 2 o'clock and close of 11 at night, and will consist of the finest set of military pictures ever seen here. In addition, Donald MacGregor has charge of the singing, and will put on the best available talent. Patriotic speeches will also be delivered, making it a big day for the public, the association and the soldler.

MOURNS DEFEAT KNIGHTS.

A very exciting game of ball attracted about 700 people to Centre Island Saturday afternoon, when the ever-popular September Mourns from Rosedale Lodge, I.O.O.F., defeated the September Knights of the same lodge by the score of 21 to 2. It looked like a goose egg for the Knights until the umpires, J. Rockfeather Keachle and Dad Pethick, held a council of war, which resulted in two runs being scored. Captain Red Rose Williams did the bulk of the scrapping for the losers, altho the whole team did their fittle bit. After the game the losers treated the victors to a

ONE GOAL MARGIN FOR CORINTHIANS

urday afternoon at No. 1 ground, Riverdale Park between Robertsons and Corinthians for third division points and incidentally to see who should accompany Diamond E. into the second division next season. Neither team have yet completed their schedule, but unless something extraordinary happens they should both win their remaining games.

The ground was in a wretched condition and good football was out of the question. However, there was plenty of excitement and the spectators got a good run for their money. Corinthians played into the western goal and quickly got into their stride, scoring a good goal early. Robertsons, not to be denied, tried hard and eventually put thru from a corner and this is how the game stood at half time.

On crossing over Robertsons got away and beating the Corinthian defence put in No. 2. This reverse roused the Beach boys, and after many tries they notched the equalizer. Coming again some eight minutes from time they again found the wind the special process.
