

PROSPECTUS.

The Canada National Fire Insurance Company.

THE CANADA NATIONAL FIRE INSURANCE COMPANY was incorporated April 7th, 1909, by Special Act of the Parliament of Canada, with a capitalization of Three Million Dollars (\$3,000,000.00), divided into 30,000 shares of \$100.00 each, for the purpose of carrying on the business of Fire Insurance, as outlined in the Insurance Act and the Special Act of Incorporation.

The Head Office of the Company is in the City of Winnipeg, and in addition to this, Branch Offices and Agencies will be established throughout the Dominion.

It must be generally conceded that, owing to the satisfactory conditions at present prevailing throughout not only Western Canada, but the entire Dominion, this Company is being organized at a most favorable and opportune time.

Canada, and particularly the Western portion of the Dominion, is advancing in population and wealth more rapidly than at any other time in its history, and every indication points towards a period of great prosperity and development.
